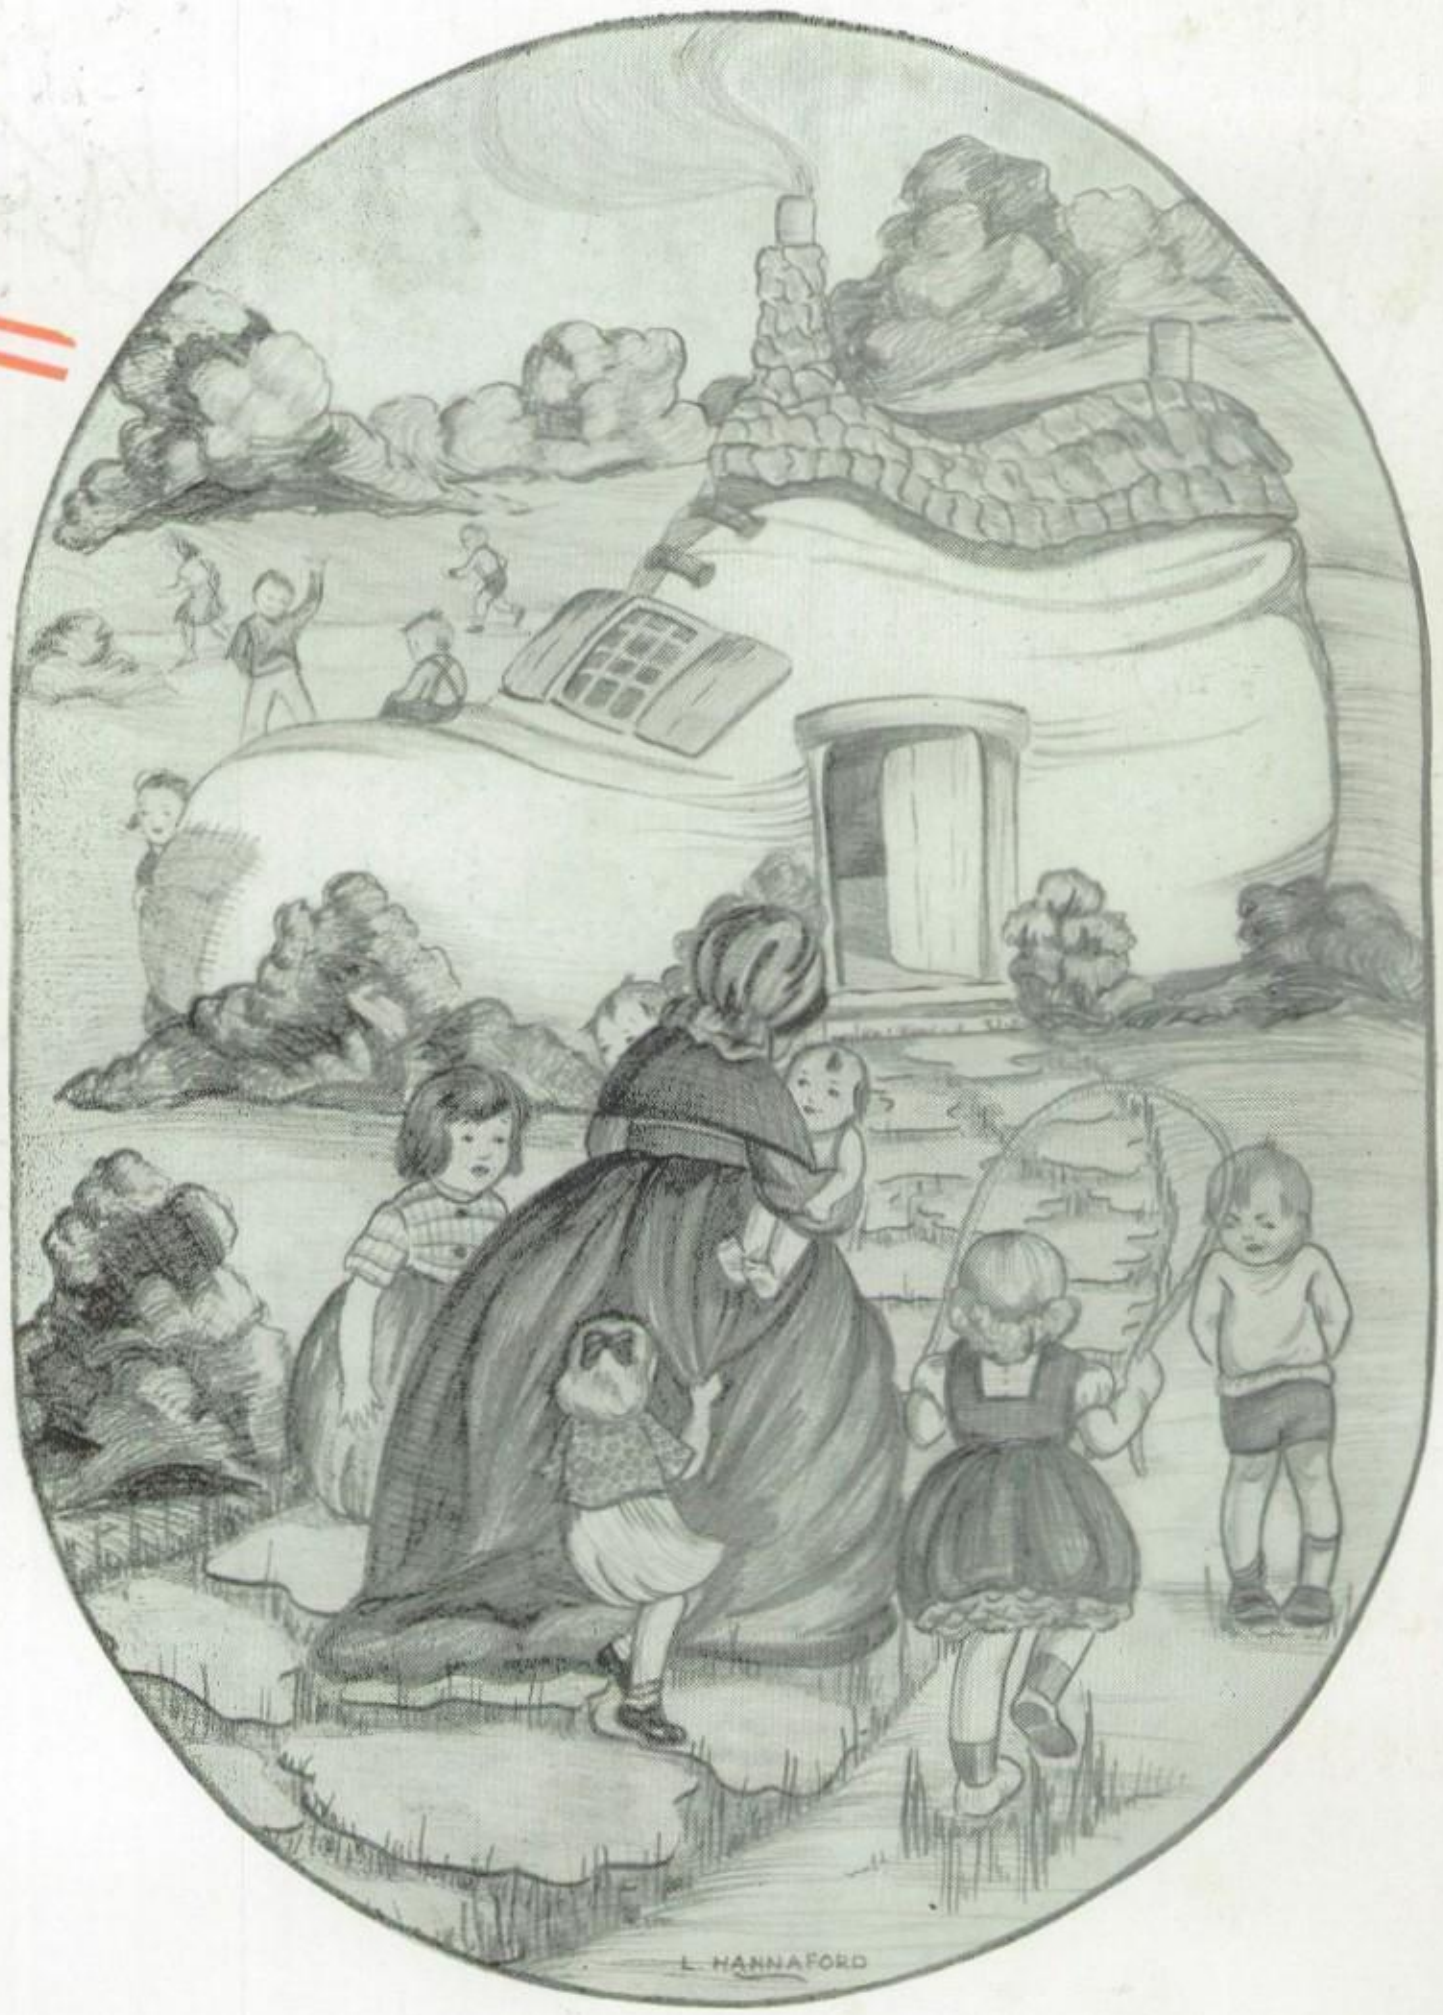
TWENTY FOUR HUNDRED AND
TWENTY GIRLS AND BOYS, LEAP
UP THE STEPS TO A.H.S. WITH
LOTS OF NOISE. WHY DO THEY
RUSH, WHAT DO THEY MEAN?
THEY MUST BE IN HOME ROOM
BY EIGHT-FIFTEEN.



ON THE STAIRS AND
THROUGHOUT THE SCHOOL
THERE WERE MANY PEOPLE.

AS ONE MIGHT EXPECT,
"TWAS LIKE THE OLD
WOMAN WHO LIVED IN
THE SHOE. SHE HAD
SO MANY CHILDREN SHE
DID'NT KNOW WHAT
TO DO.

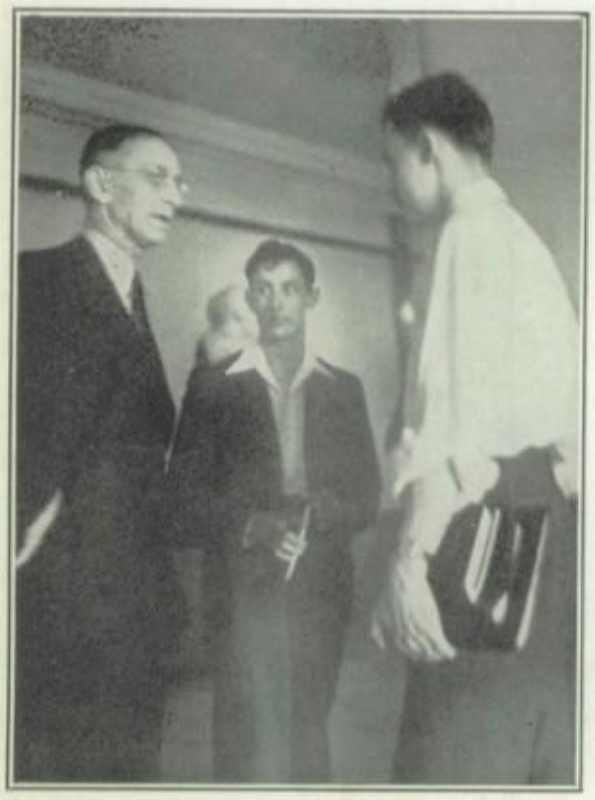
SOONER OR LATER

BIRDS OF A FEATHER

FLOCK TOGETHER.

SOME TO CLASSROOMS
'N SOME TO SCRIMMAGE
FIELD. SOME ARE CALLED
JACK AND SOME JILL
'N THEIR STORIES THE
FOLLOWING PAGES WILL
FILL.

JUST STOP 'N LOOK,
HERE'S ANDERSON'S "39
INDIAN BOOK.



IN CHARGE IS KING STOLER,

WHO ARE WANDERING IN THE MIRE.

HE'S THE ONE WE NEED, WHO WITH SCHOOL BOARD AND FACULTY, PUTS A.H.S. IN THE LEAD.

GOOD MASTER AND MISTRESS OF LEARNING,

WHILE SITTING BY THE KNOWLEDGE FIRE,

PRAY THINK OF US POOR CHILDREN,,,,

THE SCHOOL BOARD

These members of the school board should be classed with our best friends. It is they who are responsible for our vacations and holidays. Members of this body are suggested by the mayor and confirmed by the city council for a three year term. These people are chosen because they are honest and reliable, and have sworn their capability in many civic activities. This body cooperates with Mr. Campbell and Mr. Stoler to see that our school runs smoothly.

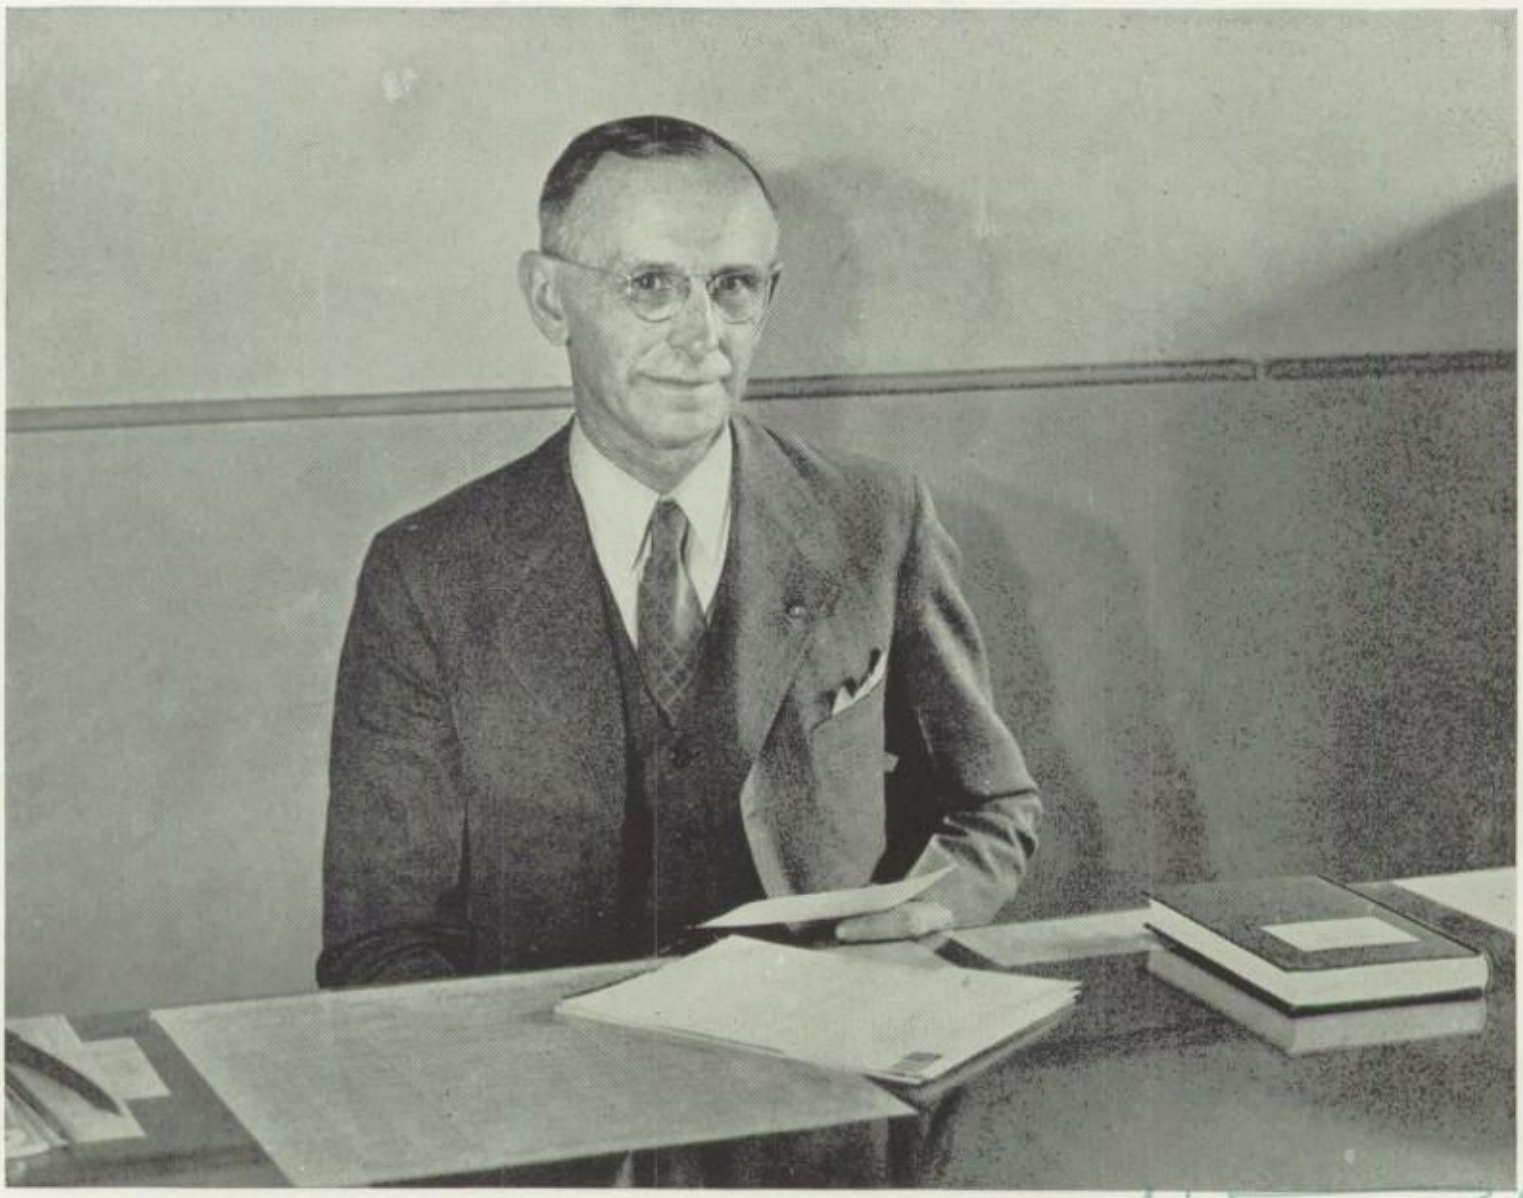
It is the duty of this board to decide when we need new schools. It arranges the financial part of it and confirms the selling of bonds, looks after the repairing of old schools, and is reponsible for the hiring of teachers and confirmation of supplies.

Each year this board is allotted a certain amount of money, derived from taxes, with which it must take care of the needs of all the city schools.

The present members of the school board are Mr. Elmer H. Downey, Mr. Jacob C. Kuch, Mr. Frederick L. Ray, Mr. Robert M. Critchfield, and Miss Juliet Crittenberger. As president, Mr. Critchfield is now heading the group, and Mr. Ray is keeping the records as secretary. The financial burden falls on Mr. Downey, who is the treasurer.

MR. CAMPBELL

Continuing his fine work after six years of capable help, Mr. Arthur Campbell, Superintendent of the Anderson School System has won the friendship and loyalty of all the student body, as well as the faculty. Going unconcernedly about his way, always willing to aid in any difficulty, he has proven himself indispensable in times of need. It is certain that the whole school hopes that he will always remain here, a stabilizing influence in our midst.



F. W. Stoler

MR. STOLER

During the five years that Mr. Fred W. Stoler has been principal of Anderson High School, we have come to know him as a friendly and understanding person. He has won a place of genuine respect and admiration in the hearts of all the teachers and students in the school. Because of Mr. Stoler's efficient direction of the many improvements in educational methods, our school has been raised to a high standard.

MR. PORTER

Mr. Porter, the new vice principal, came to us from Franklin, Indiana. He taught history there four years and was principal nine years. Because of the congeniality of the Anderson High students and of previous acquaintances with faculty members, Mr. Porter has had no trouble in becoming situated. He received his Bachelor of Arts degree at Franklin College and Masters Degree at Indiana, which makes him a pretty fine history teacher on the side.

MR. ROTRUCK

Mr. C. D. Rotruck, the imposing gentleman located in the old X-ray room is none other than the Dean of Boys of Anderson High School. There is no doubt that all boys have had, or will have before their high school career is finished, some dealings with him, good or bad. Some of the more timid students tremble at the very sight of him. However, most of us would be glad to award Mr. Rotruck a medal for presiding over his domain so tactfully.

MISS ARBOGAST

There are probably very few students in Anderson High School who are not acquainted with Miss Arbogast. She is truly a friend in need to every girl, supplying everything from a needle and thread to a bed with blankets. With her assistants, she keeps check on approximately 1226 girls. If ever a medal were given for generosity, patience, and good fellowship, Miss Arbogast would receive it by a majority vote from all who know her.

ENGLISH

Standing: Miss Miller, Miss Kendall, Miss Day, Miss Thurston.
Seated: Mrs. Crutchfield, Mr. McClure (head), Miss Hoskins.

Seated: Mrs. Hale, Mrs. Grahame, Miss Critchley, Mrs. Vermillion.
Standing: Miss Lindstrom, Mr. Boyd, Mrs. Hughes, Mr. Baker.

HISTORY

Standing: Mr. Coffin, Mr. Rotruck, Miss Lindstrom, Mr. Springer, Miss Adams, Mr. Bailey, Mr. Denny.
Seated: Mr. Shirey, Mr. Fleenor, Mr. Davis.

Mrs. Goss, Mr. Porter, Mr. Goss (head), Mr. Amick, Mr. Chadd.

FOREIGN LANGUAGE
Standing: Mrs. Whitson, Mr. McClintock, Mrs. Strickler.
Seated: Miss Nagle (head), Mrs. Henry.

MATHEMATICS
Standing: Mr. Hosier, Mr. Lyons, Mr. Miller, Mr. Brinson (head), Mr. Todd.
Seated: Mrs. Repetto, Mr. Weaver, Miss Bowen.

HOUSEHOLD ARTS

Miss Carson, Mrs. Leachman (head), Mrs. Brock, Mrs. Garriott.

COMMERCIAL

Standing: Miss Arbogast, Mr. Lyons, Mr. Shields, Miss Carlson.
Seated: Miss Hupp, Mr. Bowen, Miss Brown (head).

PHYSICAL EDUCATION
Standing: Mrs. Grahme, Mr. Shinn, Mr. Sanders, Mr. Dischinger, Miss Campbell.
Seated: Mr. Chadd (head).

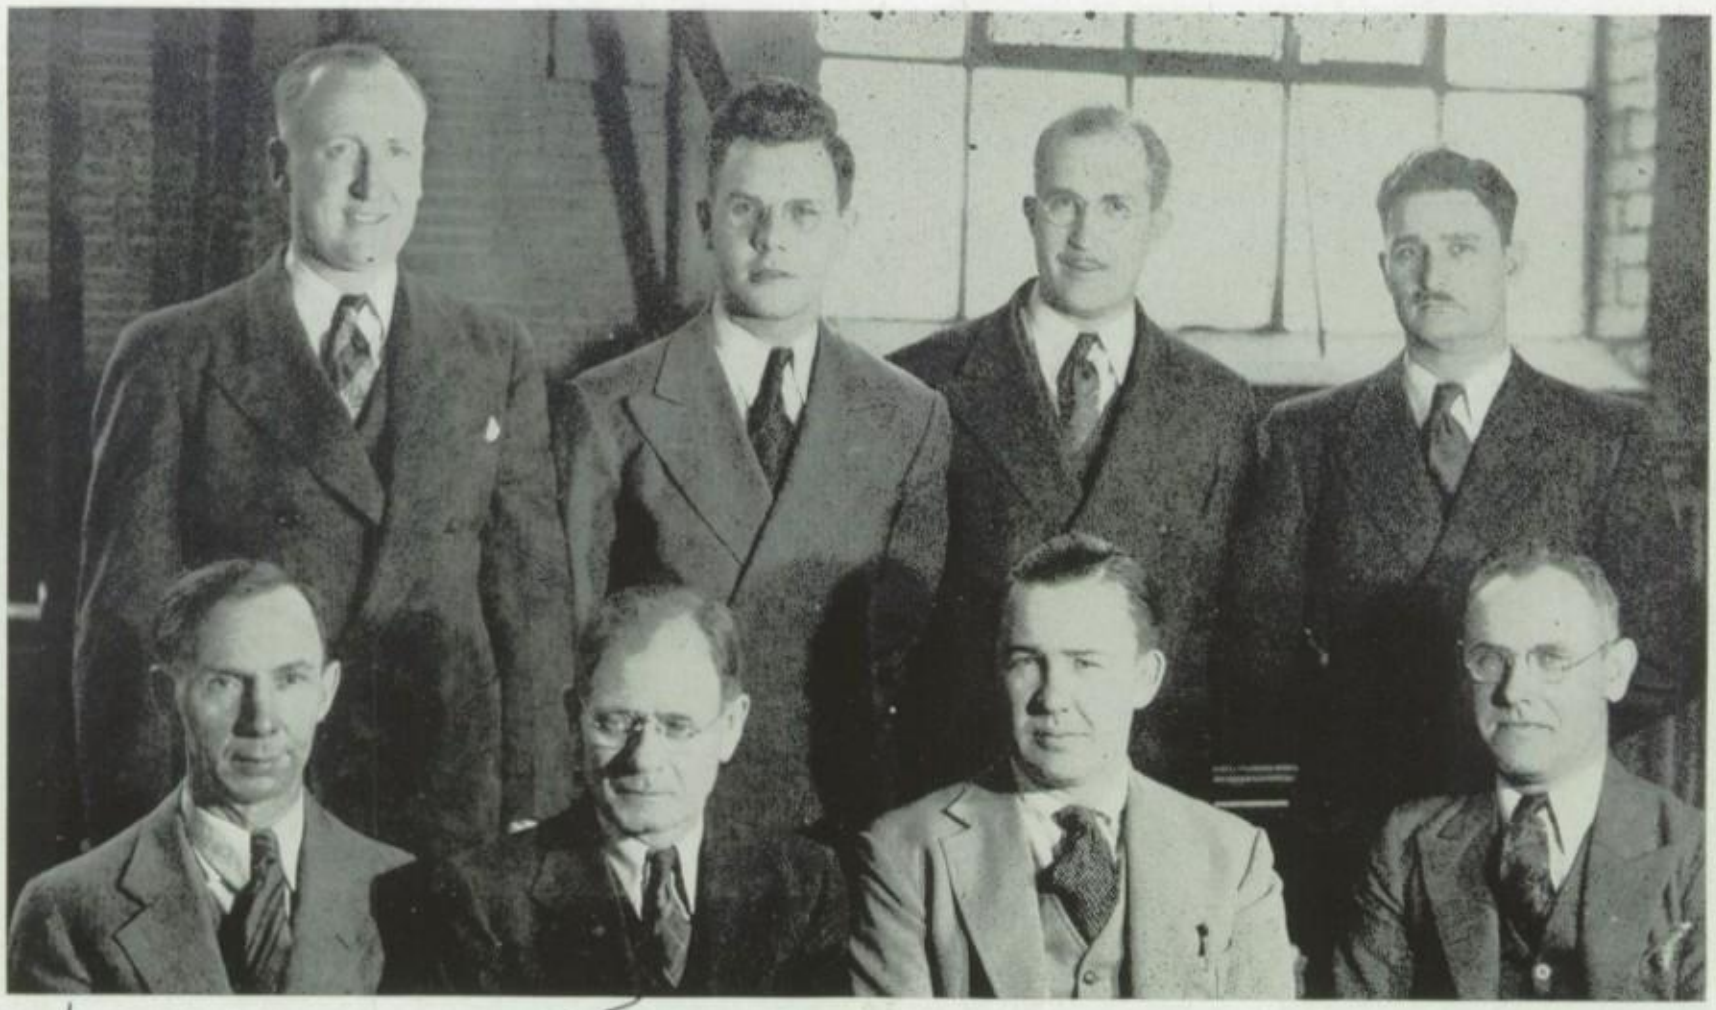
AGRICULTURE
Mr. Kolb.

MUSIC

Miss Hill, Mr. Rencenberger.

ART

Miss Hirsh, Miss Balyeat (head).

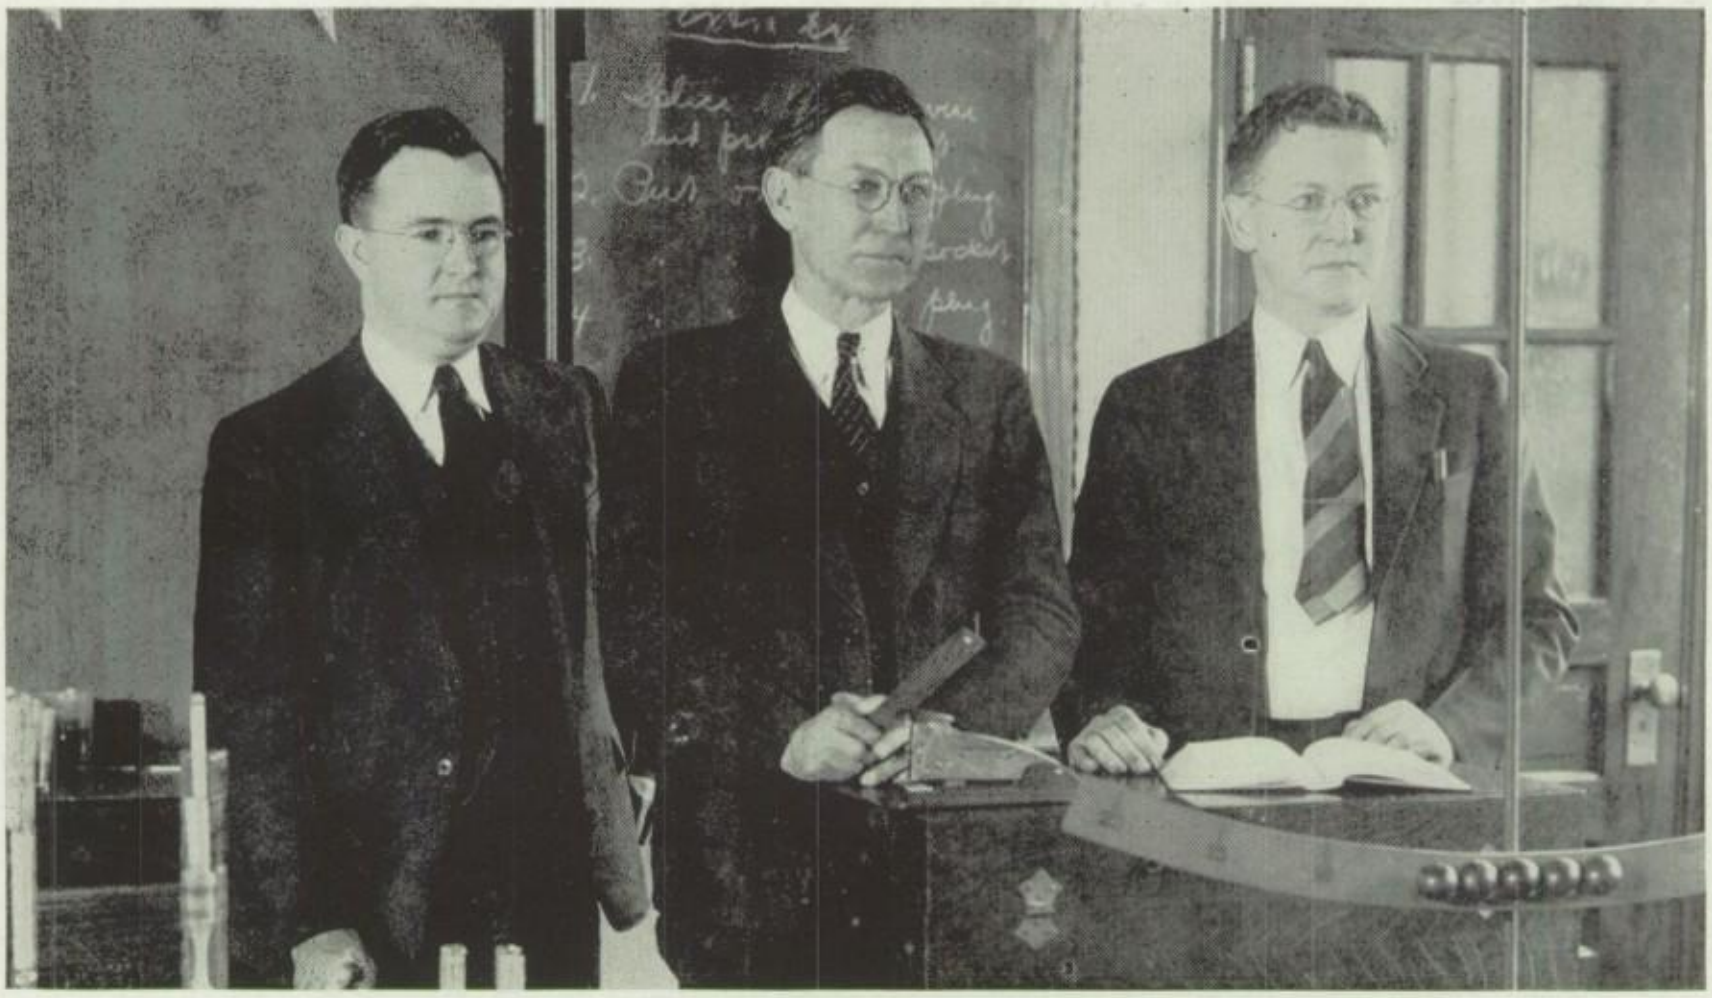


TRADES AND INDUSTRY

Standing: Mr. Garrigus, Mr. Bergevin (head), Mr. Hale, Mr. G. Julius.
Seated: Mr. Sharp, Mr. Barner, Mr. Morris, Mr. W. Julius.

TRADES AND INDUSTRY

Mr. Burns, Mr. Sherman, Mr. Pugh, Mr. Bonge, Mr. Huntzinger, Mr. Lindsey.



PHYSICAL SCIENCE

Mr. Lee, Mr. Horton (head), Mr. Stewart.

BIOLOGY

Mr. Mather, Mr. Stutsman (head), Mr. Hallett, Miss Mullendore.

OFFICE FORCE

Miss Vermillion, Mrs. Buxton, Mrs. Swinford.

A.H.S. IS THE HOUSE THAT JACK BUILT.

(YOU WON'T BELIEVE THIS RHYME), BUT 1910

MY CHILDREN, WAS LONG BEFORE

YOUR TIME.

IN THIS SCHOOL ARE SEATS,

IN THESE SEATS ARE PUPILS,

SENIORS, JUNIORS, SOPHS AND FROSH,

THAT LIVE

IN THE HOUSE

THAT JACK

BUILT.

CLASS OF 39

THE SENIORS

Another class has passed through the era of high school life. After four years their enthusiasm is still undaunted. The class emerged with flying colors, red and gray, and will go down in the minds of many upperclassmen as a group that stuck together and stood up for its constitutional rights.

The class officers were chosen with an expert eye to capability and efficiency. The class of '39 has been ably led in all activities by President Richard Brown; Vice-President Martha Dowman; Secretary Eleanor McDonald; and Treasurer Ben Earley.

As underclassmen the thirty-niners led rather a colorless existence up until last year when they "blossomed" forth by presenting the first dance to be held in the auditorium. Later that year the Junior Prom was sponsored which was also held in the auditorium.

The class play, "Death Takes A Holiday," was presented to large audiences and well received. Many spectators advanced the opinion that the play was the best in several years.

The commencement speakers left after a process of elimination were Janet Ebel, Mary Frances Stewart, Bob Shoemaker and Billie Schuyler.

To Miss Hupp and Mr. Sanders, who have spent long hours directing the activities of the class, heart-felt thanks are offered.

CLASS OF 40

THE JUNIORS

To be a Junior means to enjoy some of the long-denied social privileges of the school. Every student looks forward to the time when he can wear a class sweater, pin, or ring, or perhaps all three. The Juniors this year dazzled the entire school with the sweaters of gray and green. They really created a sensation.

They started the year well by electing their officers: President, Eugene Yates; Vice-President, John Tracy; Secretary, Barbara Marine; and Treasurer, Warren Stultz. The class sponsers, Miss Margaret Mullendore and Mr. Arthur Shirey, worked with the students and certainly had a large part in making their work successful.

When a student becomes a Junior he has acquired the self-confidence and prestige which he has lacked in his younger years. He is permitted to belong to the best clubs of the school and to assume responsibilities which enable him to take an active part in school affairs.

Following other activities this year was climaxed by the Junior Prom with the class of '40 playing host to the class of '39. Every student looks forward to this event from the time he enters high school until it actually occurs.

As the members of the class of '40 leave the Junior year and enter their last, they, as all other Juniors, have as their goal to make the next year their crowning one.

CLASS OF 41

THE SOPHOMORES

The Sophomore year is usually a quiet time in the life of high school students. The Sophs are no longer freshmen and they have not had time to do anything outstanding. During this year they struggle with geometry and other subjects and begin to acquire the poise and self-confidence that will distinguish them when they have grown up to be a great big senior. However, the sophomores razzed the poor freshman, trying to retaliate in some way for the way they were treated last year.

Last year the sophomores chose Mrs. Repetto and Mr. Hosier for their sponsers. This has proved to be a very wise choice. Dean Moore was chosen to preside over them and he is ably assisted by Don McArt. Barbara Jones keeps the class records, and Martha Jane Lambert takes good care of the treasury.

This class is an up-and-coming group. They have taken an active part in school affairs and some members of the class are becoming quite well-known. All of the members of the star bookkeeping team are sophomores. They are: Ilene Fortner, Raymond Precup, and Frank McManigell. George McMahan is a member of the champion debate squad. One of the cheer leaders is a sophomore—Burton Canady. Dick Stewart and George McMahan have worked on the advertising part of the X-Ray staff for two years and have done a very good job. We'll expect a lot from this class next year.

Class of 42

THE FRESHMEN

When school started last fall, it did not seem quite the same. There were many new faces we had not seen before. These turned out to be freshmen. At first these "greenies" were over-awed by the self-confident and intelligent looks of the upper-classmen. They were confused, too, by the many hallways. However, after a few months the frosh became used to the big school and lost their terrified expressions. Now there is little perceptible difference between them and the older and more experienced students.

These young hopefuls showed much promise by choosing as their sponsers, Mrs. Grahame and Mr. Miller. Mrs. Grahame is new to our school also, and she understands their problems, while Mr. Miller, having had more experience, can help them become adjusted to high school.

The class chose Jim Wilson as their president and Bill Wagner to help him. Jean Ann Haul is their Secretary, and Bryce Brown, their Treasurer.

Freshmen don't have much time for social life. Most of their time is spent in trying to remember room numbers and the names of their teachers. The unlucky freshmen also have a struggle with algebra, which takes up most of their spare time. However, this year's crop of freshmen have loyally supported events sponsored by the luckier upper-classmen. Members of their class were often seen swinging at school dances and no doubt they will become well-known jitterbugs next year.

FOUR AND TWENTY STUDENTS ..

WERE WAITING FOR THE BELL, FOR THEN

THEY GO TO MEETINGS OF CLUBS THEY

LIKE SO WELL.

SO WHEN THE SCHOOL WAS OVER,

AND ALL THEIR WORK WAS DONE,

THE THING THEY MOST REMEMBERED.

WAS THAT

AFTER 3:30

FUN.

HONORARY SOCIETY

The goal of most college students is Phi Beta Kappa; its equivalent in A. H. S. is the Honorary Society. It too is a member of a nation-wide organization stressing scholarship, having joined the National Honor Society April 14, 1938.

Members are selected from those in the junior and senior classes whose grades are outstanding. Although the society is sometimes considered to be merely a collection of intellectual bookworms, statistics show that those most likely to succeed in life are those who made high scholastic records in school.

As their project for this year the club undertook to write the history of Anderson High School. This work was carried on under the guidance of Miss Hirsch and Mr. Shirey, sponsers, and Bob Shoemaker, president, Nancy Badgley, vice-president, Betty Herold, secretary, and John Swayze, treasurer.

DRAMATICS CLUB

Once again members of the Dramatics Club have shown their remarkable ability to entertain by the numerous plays presented throughout the year.

The first of their successes was a "good old melodrama," "Moonshine and Honeysuckle," presented before the student body at convocation. To show their appreciation the enthralled audience emptied their pockets and let it rain pennies, slugs, buttons, and three ping-pong balls. With the returns the dramatists purchased and donated two spot lights for the stage.

Later the club held their annual open house and presented four short one-act plays. These, too, were accepted with greatest approval. These four plays were directed, acted, and staged by members of the club.

A short play, "Not Such a Goose," was given for the Parent-Teacher's Association early in March.

Late in April the Dramatics Club broadcasted "Julius Ceasar" over W. H. B. U. The reception was complimentary.

The club officers for this semester were: President, John Van Meter; Vice-President, Harry Zwickle; Secretary and Treasurer, June Speigal. Much of the club's success goes to the sponser and director, Mr. Ralph Boyd.

SPANISH CLUB

El Circulo Espanol has held many interesting meetings this past year. With Billie W. C. Schuyler as president and Jeanne Partington as secretary-treasurer, how could the club fail to be entertaining? Meetings were held every second Thursday in room 303 with Mrs. Strickler as sponser. Games and contests were enjoyed by all.

THE GIRLS' BOOSTER CLUB

Under the able leadership of President Nancy Badgley and sponser Miss Brown, the Booster Club was opened this year to all girls of scholastic ability and fine characters.

This year the club led a drive to collect unused clothes from the student body, render them useful and distribute them to less fortunate individuals. The Boosters also gave a dance and a convocation program as part of their activities for the year.

HI-Y

The picture above shows the cream of the crop of our fair male sex. These Hi-Y boys sponsered two school dances this year and at Christmas they had a party for five hundred needy children. The officers are: President, Harry Hudson; Vice-President, Walter Jones; Secretary, Fred Hurst; and Treasurer, Ben Early. The sponsers of the club are Mr. Sanders, Mr. Hosier, and Mr. Bailey.

JUNIOR-SENIOR GIRL RESERVES

The Girl Reserves is the oldest club in high school. This year the Junior-Senior Girl Reserves have been active in school affairs, and they have had very interesting programs at their meetings, which the girls, themselves, planned and presented. The officers of the club are: President, Janet Ebel; Vice-President, Betty Hupp, Recording Secretary, Ellen Baughman; Membership Secretary, Emile Goldberg and Treasurer, Ferneva Loudenback.

SOPHOMORE GIRL RESERVES

The program of the Girl Reserves is the betterment of self. At Thanksgiving and Christmas, charity work was emphasized.

The meetings are held at the Y. W. C. A. after school every Monday. Mrs. Maines is the Y sponser. Betty Schmitz is their president.

FROSH G. R.'s

With a varied program of activities including a Christmas party, hikes, ping-pong tourney, and a dance, the Freshmen Girl Reserve group has led an active existance. Officers include Amelia Downey, president; Martha Decker, secretary; Barbara Scott, treasurer; and Wanda Gritter, program chairman. Miss Egglet is sponser.

ADVANCED NEWSWRITING

These classes were in charge of the X-Ray which is published from October until May. Novel changes are made periodically according to seasonal activities.

Billie W. C. Schuyler was editor-in-chief last semester and Lee Pursley the second. Mr. Baker assumes the worries for securing copy material while Mr. Barner supervises the printing.

THE ART ASSOCIATION

This club, formed for the purpose of furthering student interest in art, is headed by president Burldene Romine and Sponsers Miss Hirsh and Miss Balyeat. In the monthly meetings many different speakers have stressed the various types of art, such as caricatures, paintings, and commercial art. Contests have also been held in the various meetings.

BIBLE CLUB

The Bible Club, guided by their president Mary Jane Webb and sponsers, Mr. Baker and Mr. Hallet, has had a most profitable year. The purpose of this club is to help students become better acquaited with Biblical characters. At the present time the members are studying the religion of various countries and races. Other officers of the club are: Mary Gordon, vice-pres.; and Pauline Webb, sec.

LATIN CLUB

Sodalitas Latina has had an interesting and eventful year. Led by president Crist Blassaras and with Miss Nagle as sponser, the club had a Christmas and Easter party, with appropriate contests and music. Other officers are vice-president, Eloise Randall; secretary, Louise Siler; and treasurer, June Spiegal.

SENATE

One of the oldest and most highly respected organizations of the school is the Senate. This club was organized many years ago under the direction of Mr. Black. It meets once a week in the library with the English critic, Miss Critchley, and the Sargeant at Arms, Mr. Denny. The Senate is very active in school affairs. One of its first activities this year was the dance after the Anderson-Technical basketball game. It closed its year with the annual spring banquet. The slogan of the Senate is, "If you can talk, the Senate needs you. If you can't, you need the Senate."

The officers of the fall semester were President, Don Collins; Vice-President, Billie W. C. Schuyler; Secretary, Jeanette Lipschitz; Assistant Secretary, John Finney; Treasurer, Joan Sisson; Reading Clerk, William Davis; Assistant Reading Clerk, Gordon Fisher.

Officers of the spring semester were President, Billie W. C. Schuyler; Vice-President Lee Pursley; Secretary Bonnie Weaver; Treasurer Keith Bond; Reading Clerk, Bob Ditteon; Assistant Reading Clerk, Charles Hurst; Assistant Secretary, Joanne Savage.

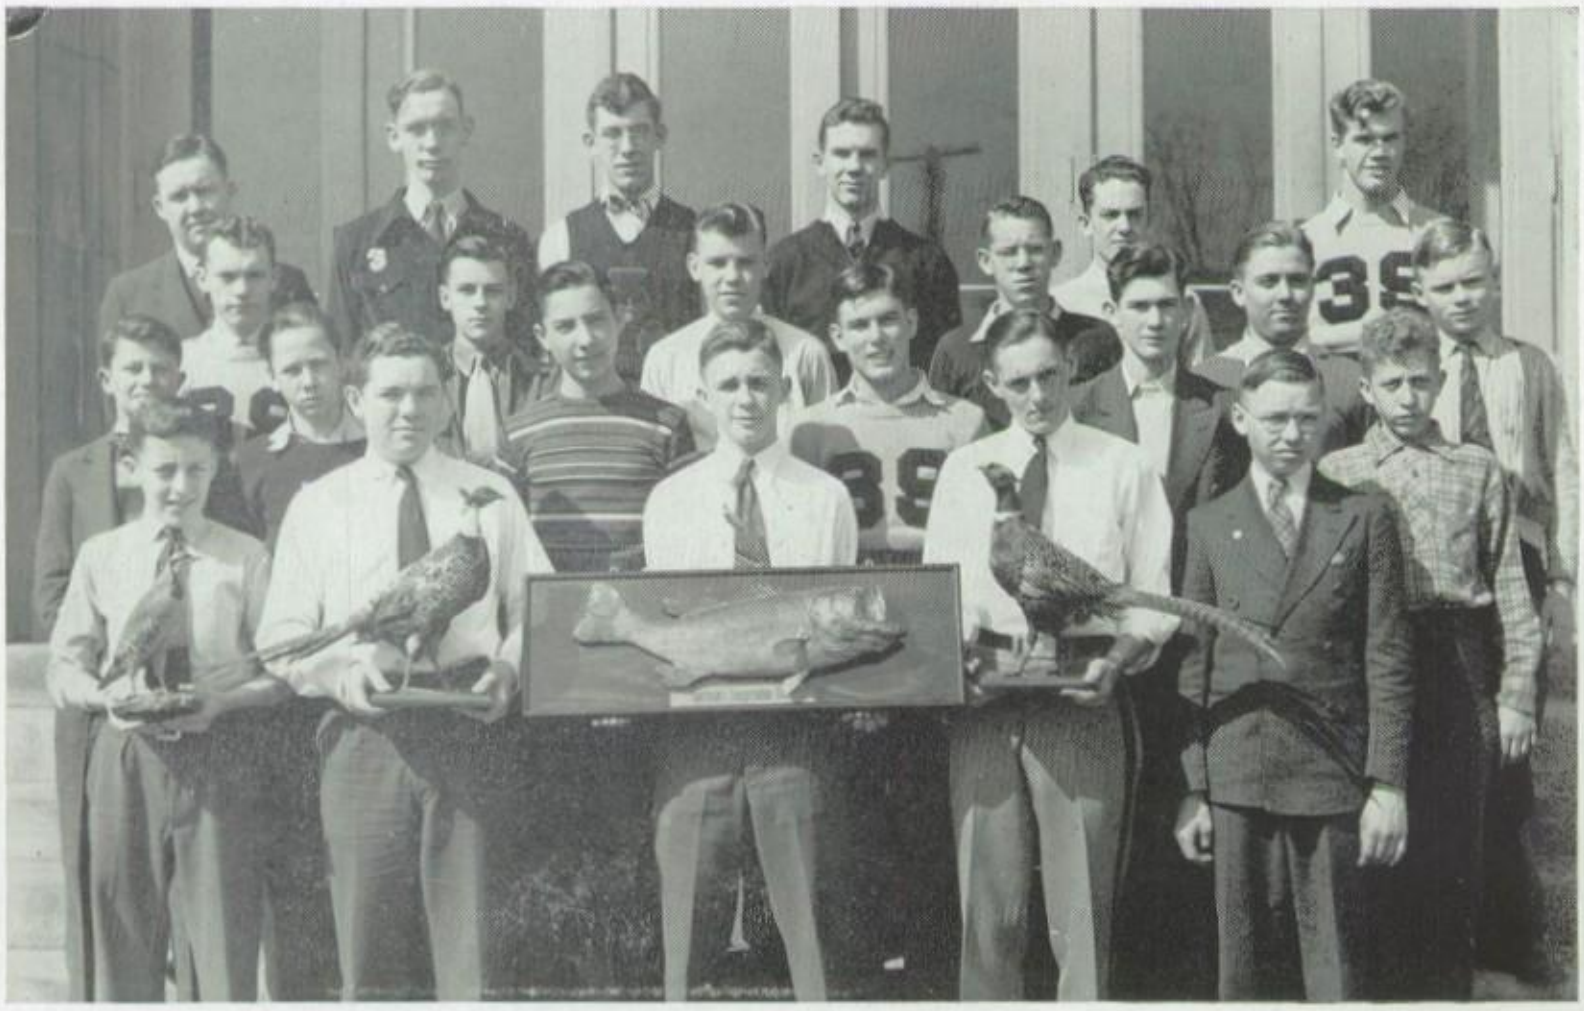
THE SCIENCE-MATH CLUB

The Science Math Club was first organized in 1918 and is the second oldest club in the school. Sponsored by Mr. Horton, Mr. Stewart, and Mr. Lee, it develops speaking ability and teaches more about science and math. To join, one must have one year of math and a year of some science. One-half credit per year is given to members who take an active part and do not miss more than four meetings a semester.

One year the club put pencil sharpeners in all the rooms and since then the school has kept up this practice. Also, they have bought scientific books for the laboratories and they are now considering the purchase of two electric clocks. This organization is a social one as well as an educational one. They have sponsered a skating party and the annual picnic was held May 29 at Noblesville. Experiments in photography, the study of stars, and discussion of evolution are held at the meetings. The officers are: Don Collins, president; David Fisher, vice-president; Harriet Mantooth, secretary; and John Finney, treasurer.

THE K. Y. C. CLUB

The Know Your City (K. Y. C.) Club was formed in 1938 for the express purpose of familiarizing the members with their city. The club meets every week. At every other meeting, trips are taken throughout Anderson. Billie Schuyler and Don McArt, as first and second semester presidents respectively, have been in charge of the meetings, while Mrs. Crutchfield and Mr. Hallet are the faculty sponsers.



CONSERVATION CLUB

The Anderson Junior Conservation Club under the sponsorship of Mr. Morris has done much to further the conservation movement in Anderson and Madison County. The club's motto is, "Conservation through education and restoration". The club is the second junior club in the state to own and operate their own game bird brooder. The officers for the past year were: President, John Finney; Vice-President, John Nevin; Financial Secretary, John Heiden; Recording Secretary, Jack Reisinger.

THE COLLEGE CAMPUS CLUB

The College Campus Club, sponsered by Miss Kendall, was organized last semester. Its purpose is to study the requirements of colleges and their tuitions. Junior colleges and their main attractions are also discussed. The officers of this club are: Mary Featherstone, president; Marjorie Thomas, vice-president; and Charles Gaus, secretary-treasurer.

CAMERA CLUB

The Camera Club is among the many new organizations of the school. This group has its own dark room and makes a detailed study of photography. The officers for the past year were President, Edgar Timmons; Vice-President, Marleston Wright; Secretary, Betty Lou Garrett; Treasurer, Norma Farren; Sergant-at-Arms, Keith Hardy; and Sponsor, Gordon Julius.

G. A. A. COUNCIL

The G. A. A. Council has been a busy group this year. Miss Campbell has sponsered the organization for the past two years but was aided this year by Mrs. Grahme. The other pillars of the association were: President, Mildred Hartman; Vice-President, Betty Farrer; Treasurer, Delores Stoops; Secretary, Mary Ellen Downes. Sports Chairmen were; Betty Matthews, Mary Sipe, Kathryn Kailor, Ila Malaguerra, Mary Jane Helms, Estelle Fletcher, and Louise Smith.

GIRLS' ATHLETIC ASSOCIATION

The Girls' Athletic Association has completed its sixth successful year in Anderson High School. The membership is open to any girl interested in physical education activities and membership is held by regular attendance, cooperaton, average skill, good sportsmanship and enjoyment in activity.

This organization is affiliated with the Indiana League of Girls' Athletic Associations and grants awards according to a point system worked out by the state executive committee. This year eleven girls will receive state awards and others will receive local awards according to the number of points they have accumulated.

Our organized activities include baseball, soccer, volley ring tennis, basketball, tumbling, swimming and track and field. Social activities this year have included hikes, wiener roasts, a skating party, a dance, and the final banquet where all the awards are granted.

This group is sponsered by Mrs. Grahame and Miss. Campbell who have attempted faithfully to guide this organization and place it on a high standard of achievement.

This year Betty Jean Brandon has been chosen as the outstanding senior girl in the Girls' Athletic Association for her cooperation, reliability, courtesy, honesty, manner and skill.

Betty has been a member of the G. A. A. since her freshman year; she recieved her school monogram in 1937, her letter in 1938 and this year she will receive the state award of the Indiana League of Girls' Athletic Associations.

Betty is especially interested in baseball, basketball, tennis, and hiking and hopes someday to become a physical educator. Her hobbies are reading, collecting pictures and traveling.

The sponsers and members of G. A. A. congratulate her on being awarded the hihest honor conferred by the local organization.

ORCHESTRA

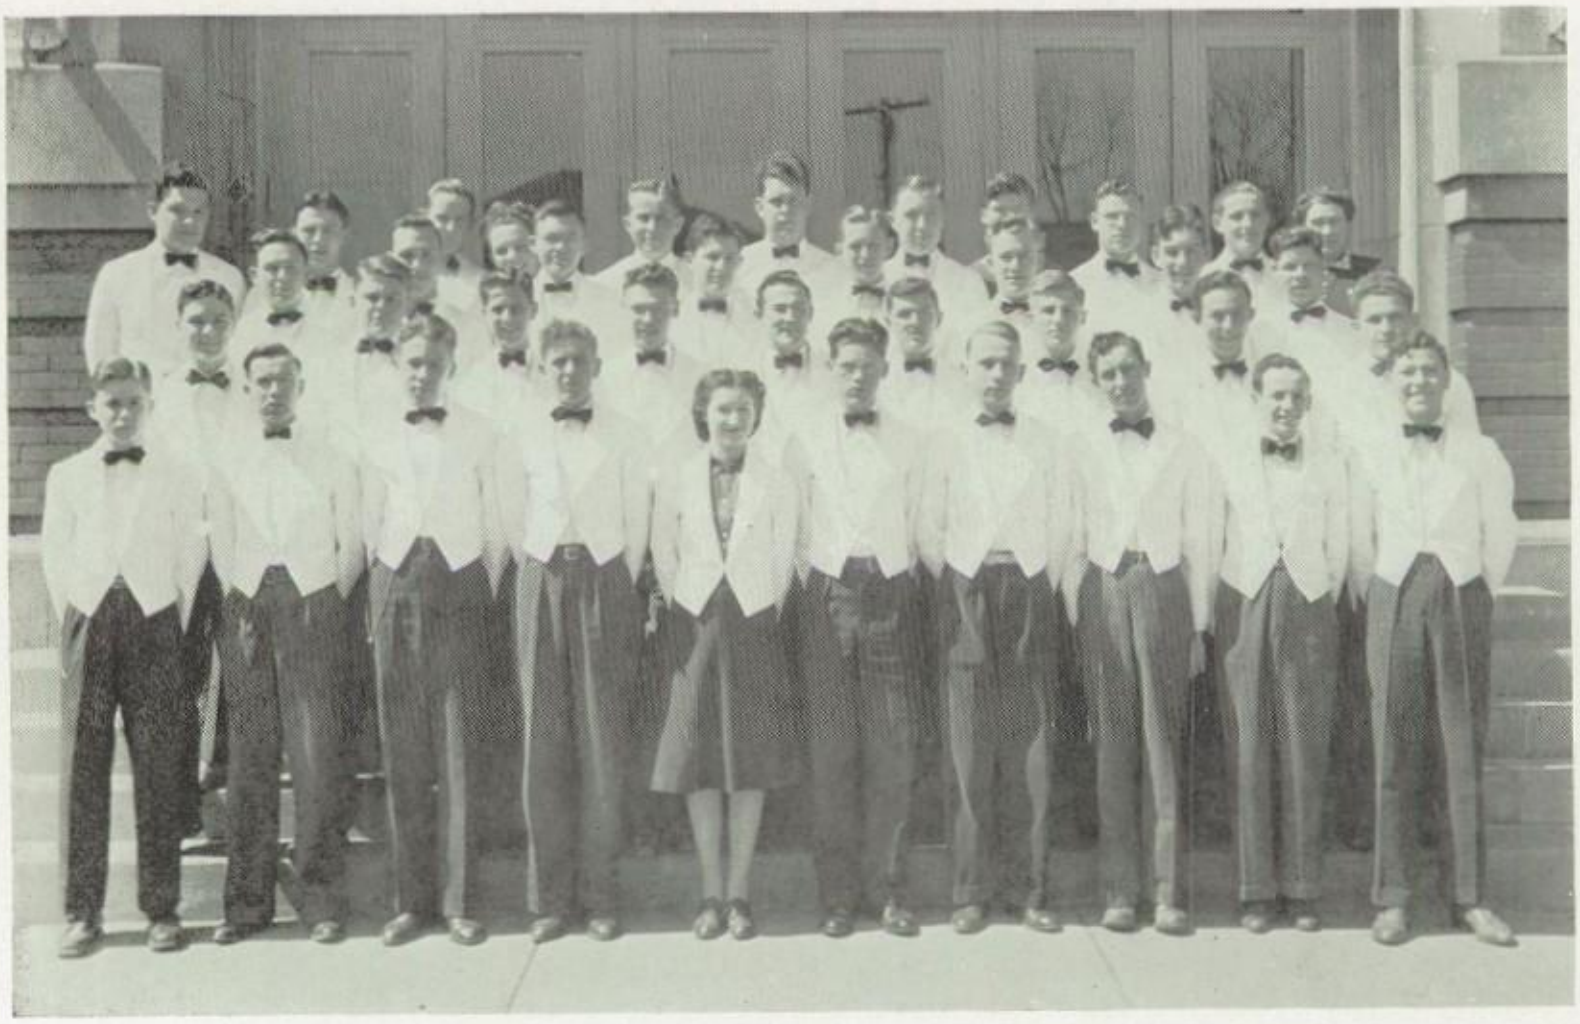
A hard-working, somewhat unappreciated organization is the orchestra of Anderson High School. Composed of strings, woodwinds and piccolos under the direction of Mr. Richard Rencenberger, the orchestra has given us many fine convocation programs. This organization presents fine oppertunities for the more talented musical students of high school and should be supported by all.

BAND

One organization of which we are very proud is the band. Under the direction of Mr. Rencenberger the size has been greatly increased, and parents of the members have organized. This section of the music department offers a wonderful opportunity to those who wish to develop their musical ability.

GIRLS' GLEE CLUB

The Girls' Glee Club, too, has been active this year. They sang at the Madison County Music Festival and at other places. Both glee clubs assisted at the third region of the National School Vocal Association Competition Festival. Martha Goerz and Treva McCreary accompany the Girls' Glee Club.



BOYS' GLEE CLUB

The Boys' Glee Club has been very active this year. They sang in the annual Christmas program at the Central Christian Church, and they have sung at several other churches and at civic clubs. They also took part in the Madison County Music Festival. Juanita Gahimer is their accompanist.

CHORAL CLUB

Once again the Choral Club has brought fame to Anderson High School through the fine leadership of Miss Ruth Hill.

The Choral Club sang before the State Teachers Association as well as at the State Choral Festival on October 27th. Later they gave the annual Christmas program. Early this spring they made a trip to Detroit where they sang at the North Central Music Educators' Conference.

On Easter Sunday the Choral Club sang in the American Youth Program over a national hook-up. At the first general session of the National School Vocal Association, they were hosts for the competition festival of Region 3. This was held on May 12th and 13th and choirs from Michigan, Ohio, Indiana, and Illinios participated in the contest.

Along with these excellent accomplishments, the Choral Club has sung for several churches throughout the year as well as singing at Baccalaureate and Commencement.

Anyone that has heard our Choral Club sing agrees that we certainly should be proud of them—just as we are!

THE STUDENT COUNCIL

The Student Council is our participation in school government. This organization consists of two bodies: the Assembly, and the Executive Council. The Student Council not only serves the students in the government of the school, but it also trains future leaders.

EXECUTIVE COUNCIL

The officers of the Executive Council were Dick Brown, president; Crist Blassaras, vice-president; Betty Rose Badgley, secretary-treasurer. The officers of the assembly were David Fisher, president; and Joan Sisson, secretary.

HI DIDDLE DIDDLE

WE ALL CAN"T FIDDLE„ THERE ARE

OTHER WAYS TO PASS THE DAY.

TRIPS AND DANCES,

PLAYS AND ROMANCES,

ARE AMONG THE JOYS,

OF OUR

'INDIAN"

BOYS.

THE RECREATION ROOM

One of the greatest accomplishments of the year was the establishment of the recreation room. After a long, hard struggle the dream was finally realized. The recreation has been of great advantage to most students especially those students who are unable to go home for lunch. It has not only been open at noons but also after school. During the past months it has been the scene of many gay dances.

Probably the biggest attraction of the room is table tennis. It was here that the first high school Table Tennis tournament originated. Among the other attractions are chinese checkers, dart throwing, ball rolling, and ring tossing games.

A great cheer should be given for the founding of this place.

If any one person should receive credit for the structure of this year's annual., that person would be George Donaldson, who spent hours arranging and re-arranging the book. Students who helped with the cartoons and art work were Cletus Hilligoss, Newton Simpson, Eugene Morgan, Bill Coats, Lloyd Smith, Quinlan Gilmore, Lucille Hannaford, Ray Hodson, Harold Lunsford, Joan Miller, Ralph Pike, Warren Priest, Norman Soales, Billy Van Dyke, Keith Watkins, and Mary Jane Webb.

Many thanks are due to these clever students, and to the faculty board: Miss Adams, Miss Balyeat, Miss Hirsh, Mr. Baker, Mr. Brinson, and Mr. Barner.

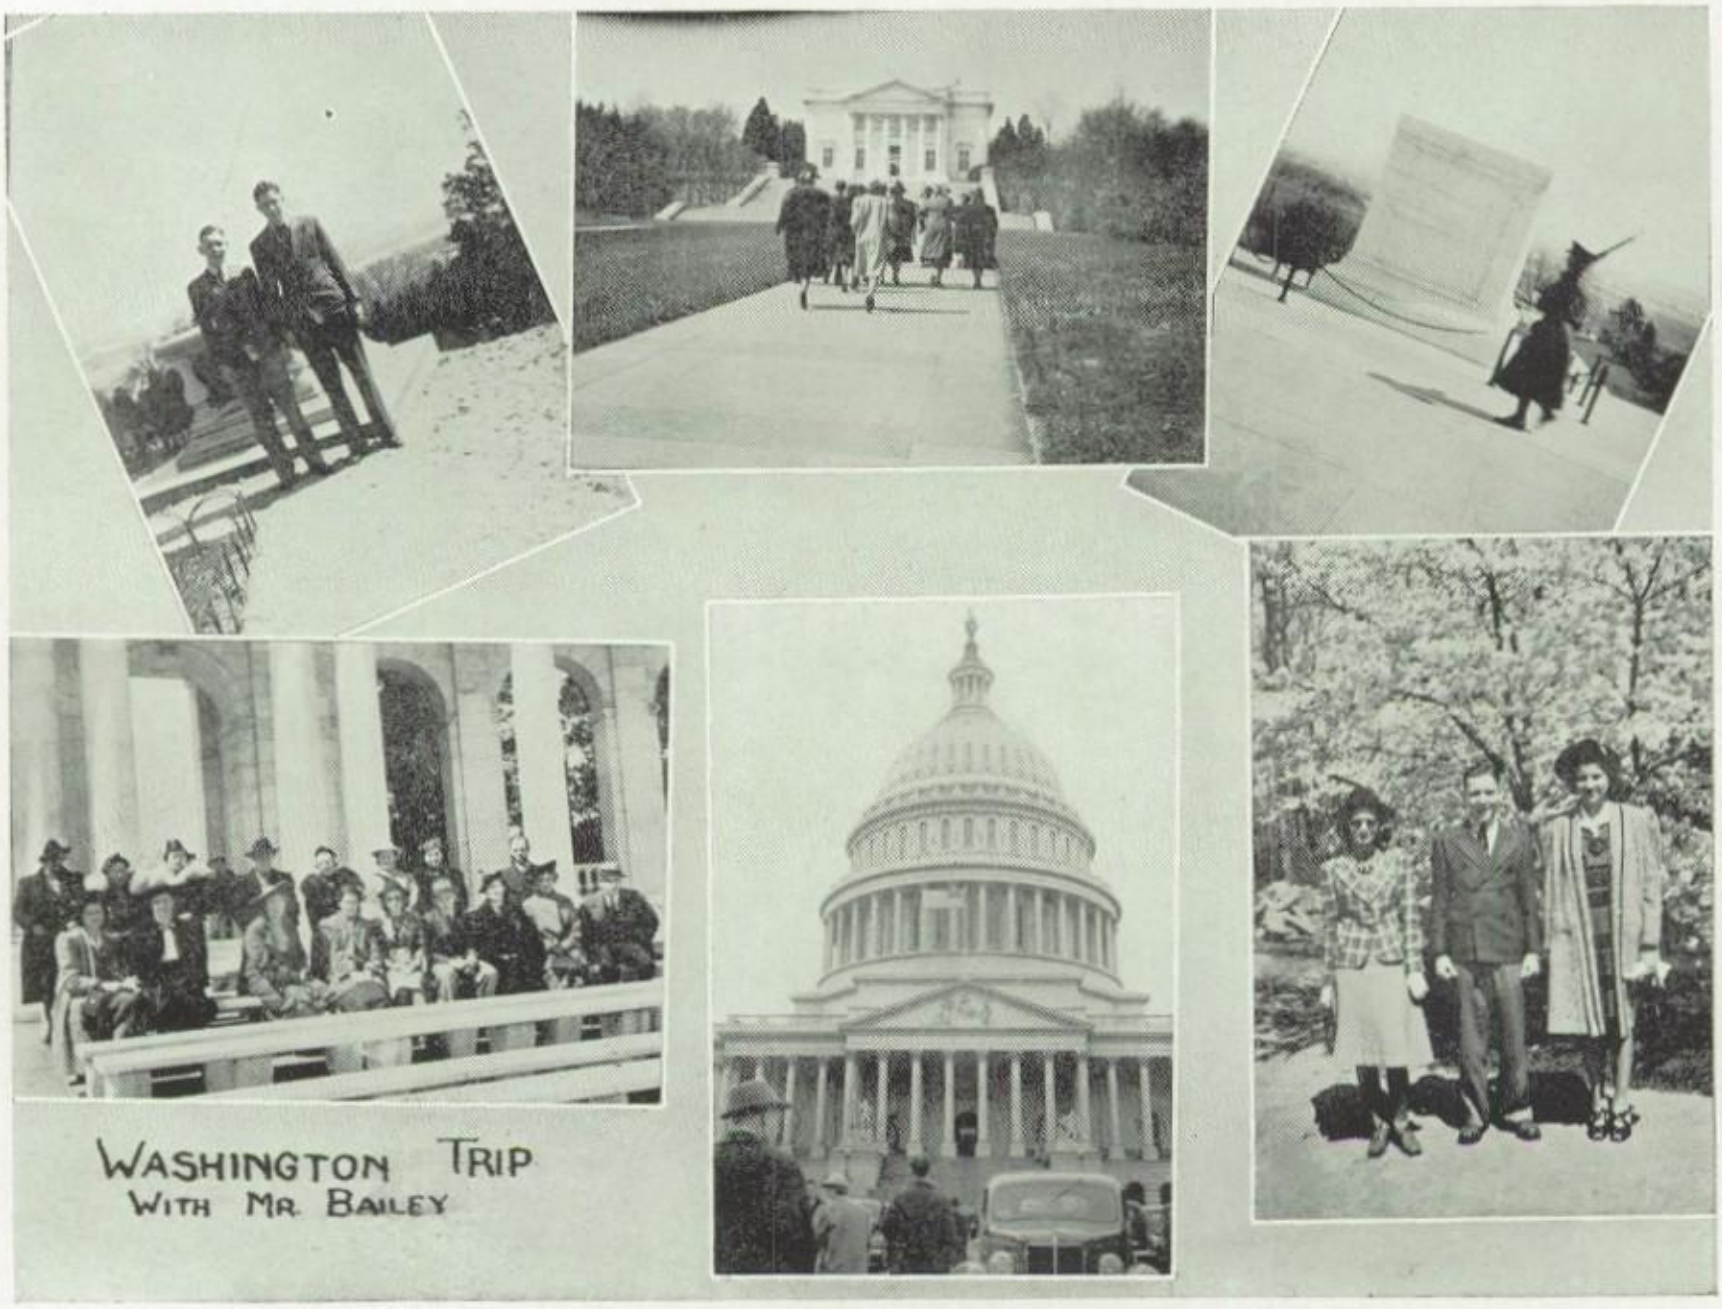
CHORAL CLUB
DETROIT TRIP

THE CHORAL CLUB TRIP TO DETROIT

On Sunday, March 19, at 8:15 A.M. the Anderson High School Choral Club, which is composed of 78 members, departed for Detroit to participate in the National Music Educator's Conference. A prayer service was held at the train station before leaving. Registration was held at the Barlum Hotel with two persons in each room. A community sing was held in the lobby in the afternoon, in which 1500 persons participated including the Choral Club Members.

That evening the club went in a body to witness the performance of Conductor Eugene Ormandy and Soloist Bidu Sayo in the Ford's Sunday Evening Hour which was held at the Masonic Temple in Detroit. On Monday evening the General Motors Corporation sponsered a trip into Canada. Monday afternoon the club went on a visit to Greenfield Village. Several girls went shopping at Hudson's the largest department store in Detroit.

The performance of the Choral Club on Tuesday at 2:30 at the Statler Hotel climaxed their two day visit. However, thrills did not cease till the group reached Anderson, for the return trip was made in a private coach on the new streamlined Mercury, that travels at the rate of 95 miles per hour.



WASHINGTON TRIP
WITH MR. BAILEY

WASHINGTON TRIP

From March 27 to March 31 this year, seventeen people took advantage of the annual trip to Washington D. C. sponsered by Mr. Bailey and Miss Arbogast.

On the way, the group stopped at Cincinnati to inspect the Union Terminal there. The train ride proved to be a thrill for the most and the Lee House Hotel furnished the best of service. In Washington, the travelers viewed the usual interesting sights, including the White House, the Supreme Court Building, the Capitol Building, Mount Vernon, etc.

One unusual feature of the journey was the visit to the Masonic Temple in Alexandria, Virginia, where George Washington was Worthy Master. Here was seen the chair on which the first President presided, the trowel he used when laying the corner stone of the Capitol Building, and a picture worth several thousand dollars.

At the old and new Smithsonian Institutions, the group were allowed to refresh their memories by digging up the relics of the dim, dark past.

The tourists all agreed that it was the most interesting trip they had ever taken and are looking forward to more such trips.

VOCATIONAL AGRICULTURE

The department of vocational agriculture is just finishing its fifth year of not only winning state and national championships through the efforts of local farm boys but giving in addition some technical training in agriculture that should ad materially in helping to solve some of the major problems in the field of Indiana agriculture.

Our current story begins when last years annual went to press. Junior Mauck exhibted a dozen of white eggs at Purdue and won sweepstakes medal. Live-stock judging team made up of Edwin Rodecap, Fred Leemaster and William West won Madison County championship and state championship at Purdue in sheep judging to win bronze sheep trophy for a second time in the last three years. West was third high in state while Rodecap ranked fifth. The team ranked fifth in judging all classes. The dairy team members, William and George Pugsley, Raymond Gordon and Robert Tanner won the County Championship and placed forth in the state. The corn judging team composed of Russell Bailey, Lawrence Pugsley, Donald Hiday and Wilson Bronnenberg won the county championship and ranked twentieth in state only twenty points behind the winners. Wilson Bronnenberg placed second high in state to win Indiana Certificate of Proficiency. Each contest had over fifty teams entered. In the state congress of Future Farmers of America held at Purdue, Donald Hiday and Fred Leemaster were two of the twelve receiving the state honorary degree of "Hoosier Farmer" in F. F. A. Charles Mohler and Donald Hiday each received $10 certificates and Edwin Rodecap, $5 from the International Harvester Company for being three out of thirty-six in Indiana to win on Farm Management records in National Contest.

After school was dismissed, Wilson Bronnenberg, Fred Leemaster, and George Pugsley Jr. won the state championship in judging Brown Swiss dairy cattle at Columbus. Each received eversharp pencils and Mr. Kolb, a desk set.

Early last fall, Lawrence Pugsley, a Junior, walked off with the district contest and medal by husking 603.62 lbs. in 40 minutes, while William West ranked thirteenth. In the state tomatoe picking contest at Southport, Lawrence Pugsley picked 19 hampers in 55 minutes, while the state champion picked 24 hampers. Pugsley ranked sixth among 55 adult pickers. In 5A corn work, medals were won by Raymond Gordon and George Pugsley with yeilds of 123 and 103 bushels per A. respectively; a silver medal was won by Lawrence Pugsley with 93 bu.; bronze medals were won by Richard Rector and Donald Hooper with yields of 80.3 and 79.3 respectively. Thevegetable judging team, made up of Raymond Gondon, George and Lawrence Pugsley, and Richard Rector, placed sixth in the state fair contest. In the Hoosier Ton Litter Gold Medal Club, Edwin Rodecap grew a litter of 12 Poland China hogs to 2658 lbs. in 170 days to win first place gold medal and trophy in Madison County. William Pugsley, another vocational agriculture graduate, was a close second and also a gold medal winner with a litter of 12 Chester White hogs weighing 2503 lbs. An apple judging team made up of Billie Fletcher, Lawrence Pugsley, William West, and Richard Rector won the state championship at Purdue in November by scoring 1263 points out of a possible 1500. Pugsley was high point judge in state and won gold medal; Fletcher won bronze medal for third high point honors. Reitz H. S. of Evansville was second. The vegetable judging team of L. Pugsley, W. West, R. Rector, and Charles Mohler ranked sixth. The apple team received their trophy and medals s hoanor guests of State Horticulture Society at Purdue in January. Edwin Rodecap won educational trip to Chicago International Livestock Show in December for having highest achievement record in Indiana in Brown Swiss dairy work.

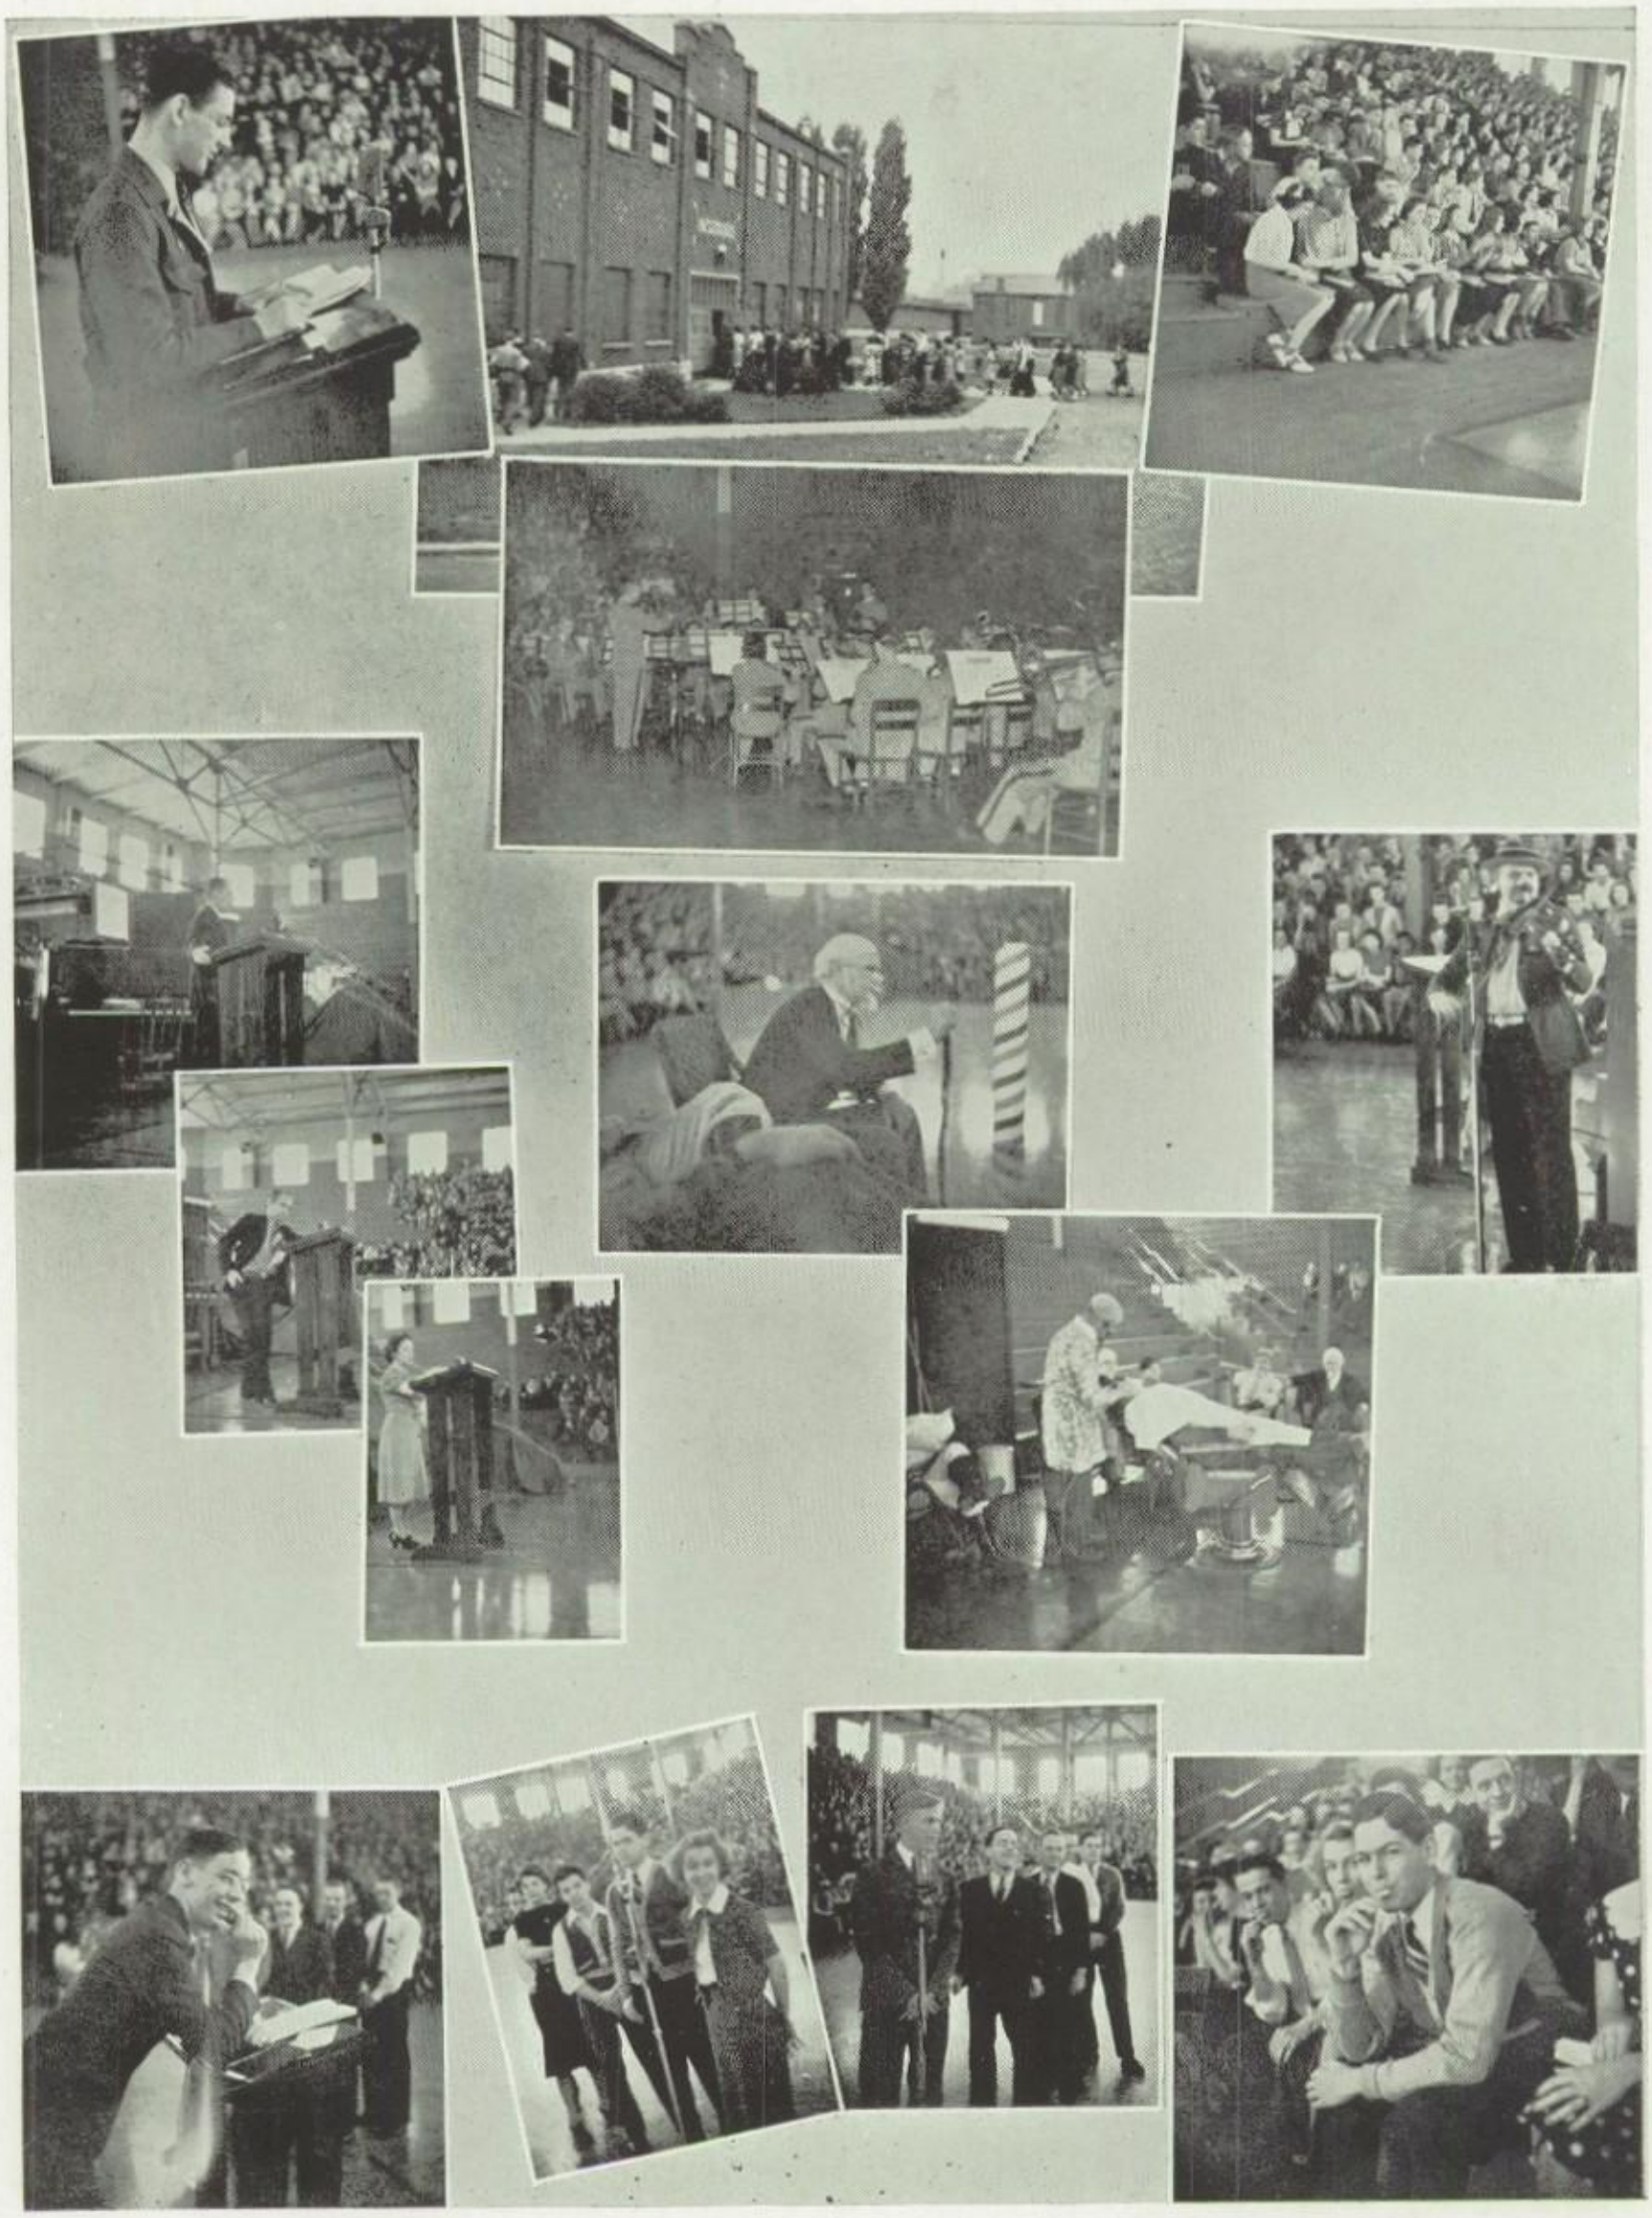
STATE CHAMPION DAIRY TEAM

The Bookkeeping team, composed of Ilene Fortner, Raymond Precup, and Frank McManigell, assumed leadership of the state's bookkeeping students by winning first place in the commercial contests at Central Normal College and Ball State Teachers College.

The advanced Typing team, composed of Ida Mae Utt, Vera Hiday and Madonna Nichols won sixth place at Danville.

The Business Adjustability team, composed of Alice Hosek, Virginia Crouch and Twyla Hutton won first place in State at Muncie.



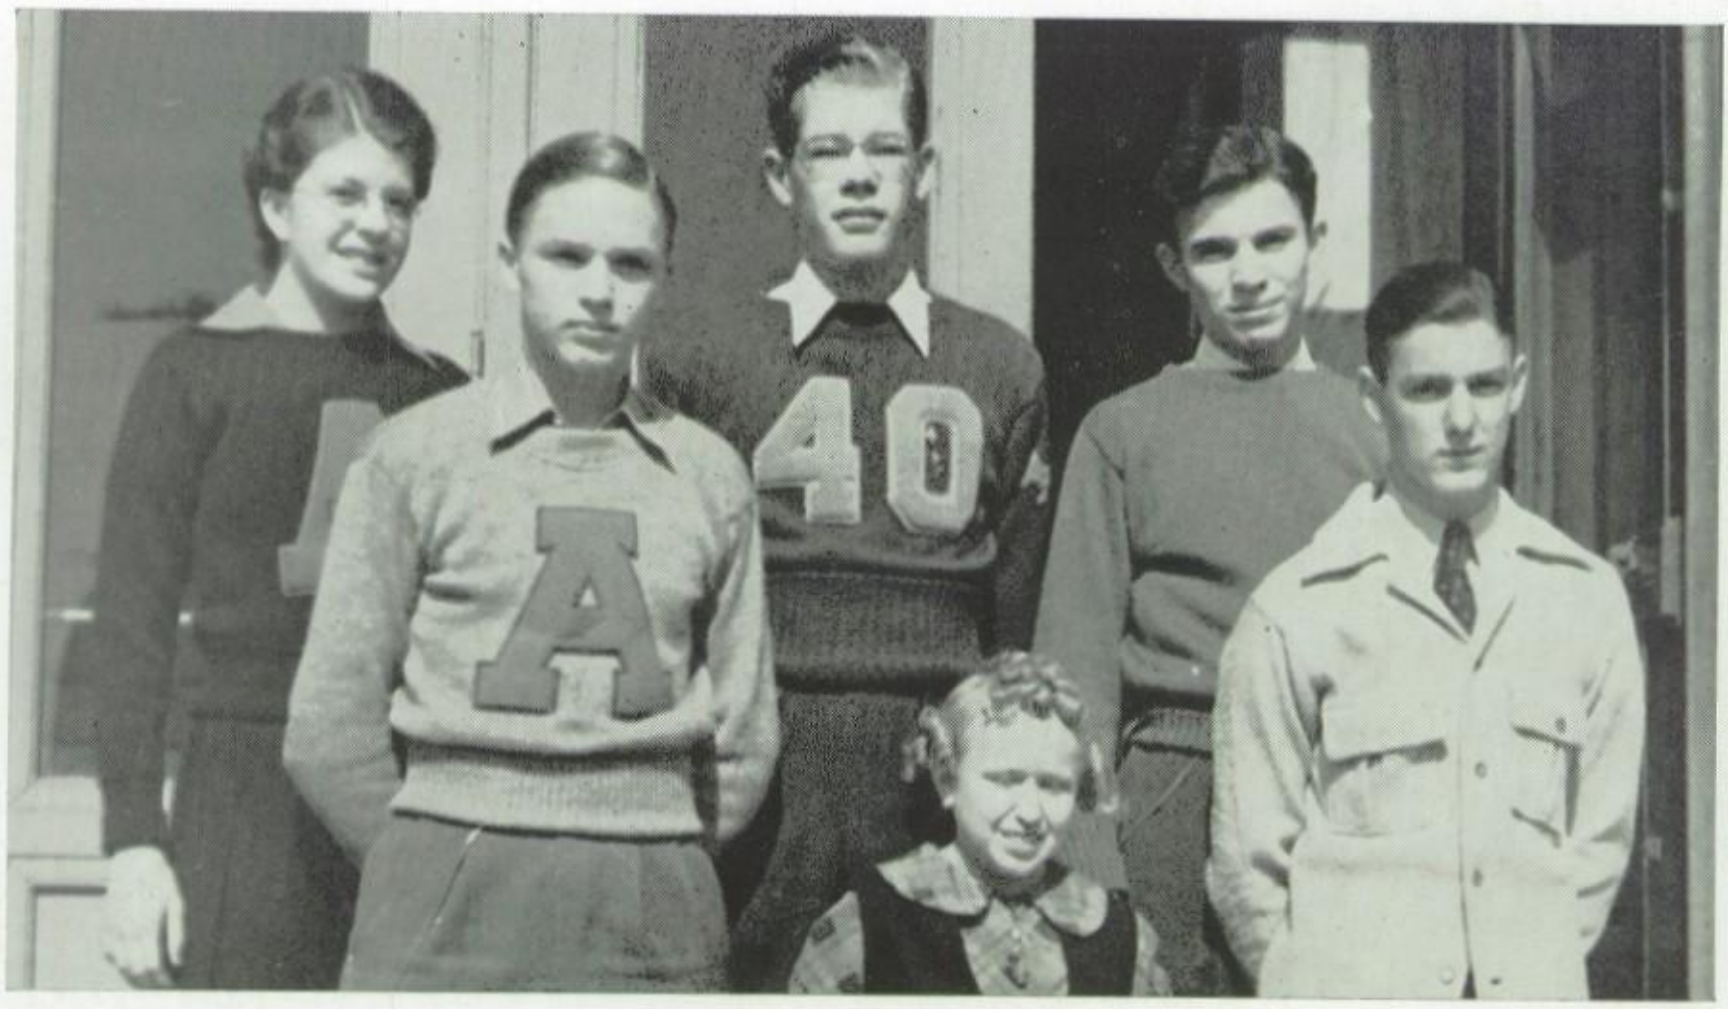
SENIOR CLASS PLAY

It was by way of an experiment that the senior class presented "Death Takes A Holiday". The play was a departure from the usual family comedy, requiring more elaborate staging and more detailed characterization, so its with feelings of apprehension that the class made its decision. However, its fears were without grounds and the weeks of hard, but enjoyable, work of the cast, under the direction of Mr. Boyd, resulted in one of the most noteworthy productions aver given on the stage of A. H. S.

It is only fitting that much credit for this production be given John Van Meter, for it was largly through his efforts that two amatuer performances on the nights of December 14 and 15 were termed "near-professional" by qualified critics.

The cast, headed by John Van Meter as "Prince Sirki" and Betty Herold as "Grazia", included:

Cora	Betty Romine
Fedele	Eric Handley
Duke Lambert	James Carr
Alda	Norma Brown
Dutchess Stephanie	Betty Vest
Princess of San Luce	Orpha Bathauer
Baron Cesarea	Pierra Gephart
Rhoda Fenton	Dona Iles
Eric Fenton	Lawrence Reynolds
Corrado	Harry Zwickel



DEBATE SQUAD

Members of the Debate Squad this year included Ruth Allen, George McMahan, and Jane Hannaford, alternate, on the affirmative side; Roy Eggman, Ben Early, and Warren Rider, alternate, on the negative. Mr. Boyd acted as the squad's sponser.

The squad belongs the the Indiana State Debating League. The subject for debate this year was: "Resolved: That the United States should establish an Alliance with Great Britian." Starting work early in the fall, the team had a series of Radio debates over WHBU in November, with four neighboring schools: Greentown, Ben Davis, Rushville, and Lebanon. There was also a series of auditorium debates with Rushville, Ben Davis and Hagerstown.

On January 9, the team entertained fifteen schools for a debate tournament. Over 150 debators were here.

The contest debates came in February. A debate tournament was held at Fairmount to determine the sectional winner. Anderson won debates from Fairmount, Elwood, and Marion to become sectional champion, for which the members of the squad received bronze medals.

All those who appeared in contest debates were awarded letters. In close debate at Shortville, Anderson lost the zone title to Rushville, one of eight schools to go to the State Contest at North Manchester.

BILLIARDS

PRINTERS

Much credit is due to Mr. Claude P. Barner and his apprentices in the print shop. Throughout the year these capable young lads and their instructor have labored industriously to provide us with a school newspaper and yearbook. In addition to the Indian and X-Ray, the football and basketball programs and tickets, play programs, together with printed forms for the many departments of Anderson High, are some of the "jobs" for the printers to solve.

Few students realize the mechanical skill necessary for the setting and printing of of the varied material necessary for the operation of a school. Boys are trained to handle the linotype machine, the large flat-bed press and the hand presses as well as to set type by hand.

That this training has been successful is shown by the fact that every boy recommended by the department for a commercial position has made good. Here's a real record of which other departments of A. H. S. may well be jealous.

OUR SCHOOL'S SAFETY PROGRAM

The school safety committee was organized at the beginning of the school year of 1937. The organization consists of seven members. There are four students and three faculty members on the committee. These members are Francis Humphrey, William Patton, Gerald Brown, Kenneth Sulkey, Mr. Gordon Julius, Mr. Norris and Mr. Bergervin respectively.

This committee was organized to make our school shops a better place in which to work. The four student committeemen make a weekly inspection of our shops while our faculty committee make a monthly inspection. All problems brought up concerning safety in our shops are disussed thoroughly before any measures are taken, in order to prevent conflict between persons involved. These discussions take place twice a month with the student committee and Mr. Bergervin.

The organization has met with widespread cooperation from the students and faculty. All of our shop students have been reasonably impressed by the safety work. The teachers have taken hold of it and pushed it up the road of progress. Our goal is to make our shops as safe as possible, but it will take time and cooperation, with an extensive safety program in the years to come.

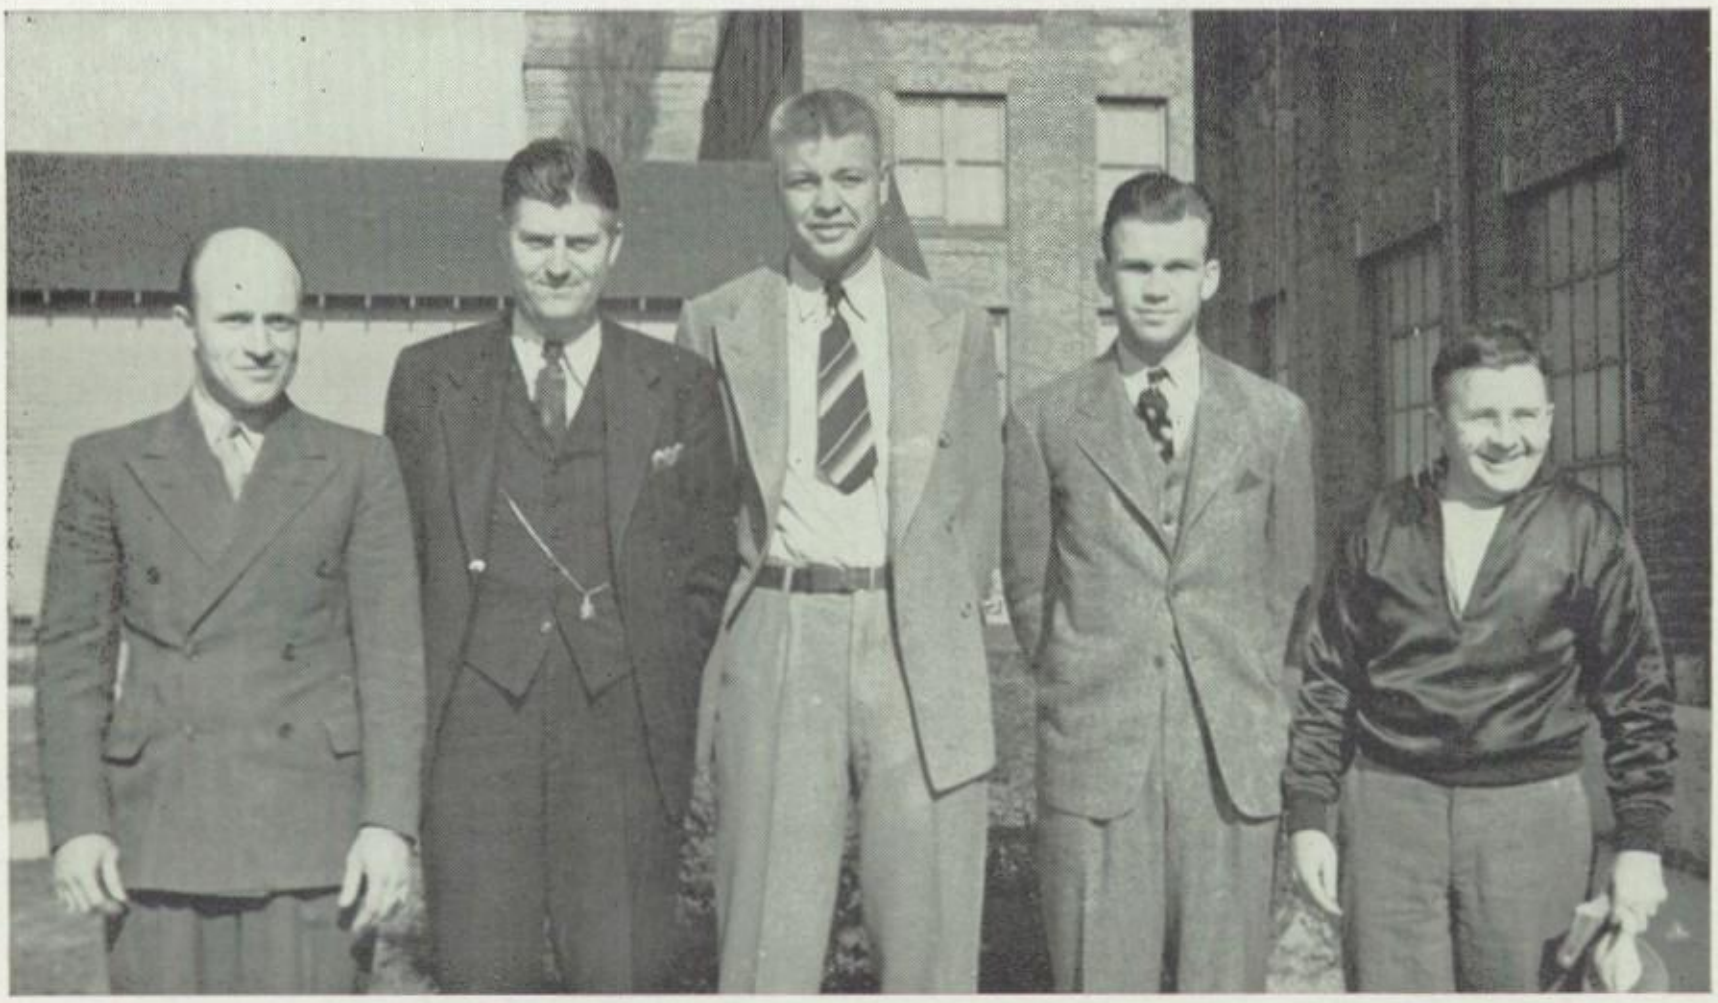
COACHES

Besides being athletic director in Anderson High School, Mr. Chadd is head football coach, and head basketball coach. He has brought Anderson the only basketball championships which we have won and has developed football to a point where it receives much more attention and recognition than it formerly had. Mr. Chadd teaches his athletes more than athletic development alone. His aim is to instill character, sportsmanship, and a cooperative spirit in his boys in order that their chances of success will be greater.

ASSISTANTS

No athletic director is able to achieve success without assistants. Mr. Chadd has a wealth of valuable aid in the five men pictured below. Mr. Bonge is varsity track coach, freshmen basketball coach and assistant in varsity basketball. He has made an outstanding success of his track team. Mr. Shinn assists in football. Mr. Dischinger coaches the golf team and assists in football and basketball. Mr. Fleenor is assistant track and basketball coach. Mr. Barrow coaches the Junior High School basketball and track squad.



YELL LEADERS

John Swayzee—"John" has been in a yell uniform for three successive years and has certainly done his part in giving that support which means so much to the team.

Charles Schreffler—"Charley" is a veteran of three years with much natural ability as a yell leader. He is a senior and, because of the success which he has made, his place will be hard to fill.

Burton Canaday—"Burton", although only a sophomore, has proven that he is deserving of leading us, as he undoubtedly will until he graduates.

Warren Stultz—"Warren's" popularity and good-naturedness have made him a real success even though he has only been on the squad one year.

STUDENT MANAGERS

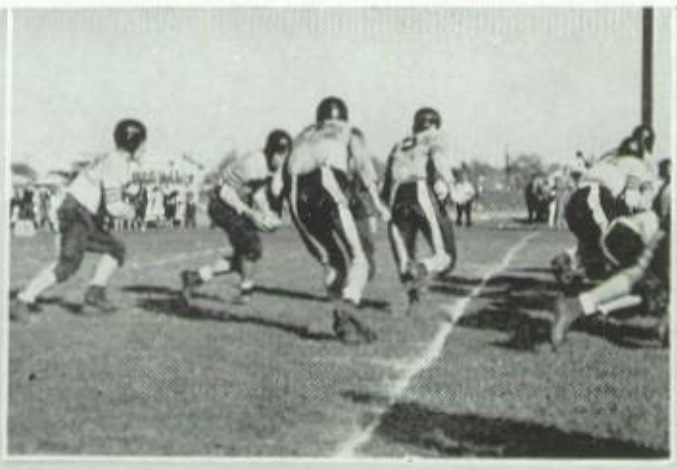
The student manager is the "forgotten man" to the fans, who are so eager to applaud the brilliant performance of their favorite athletes. However, we realize that without the assistance of the managers, the coaching staff could not be so efficient.

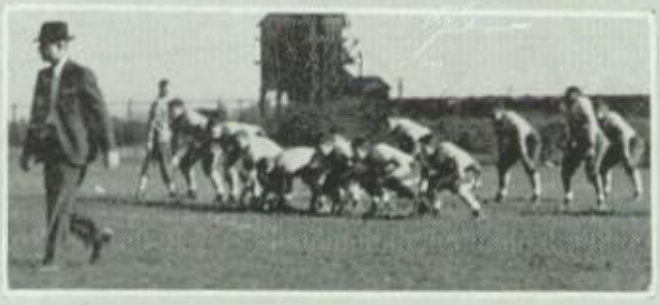
Gene Stanley—The name "Stanley" is familiar to the followers of the Indians, as he is efficiently carrying on the work which his brother began. A most valuable assistant will be lost when Gene graduates this spring.

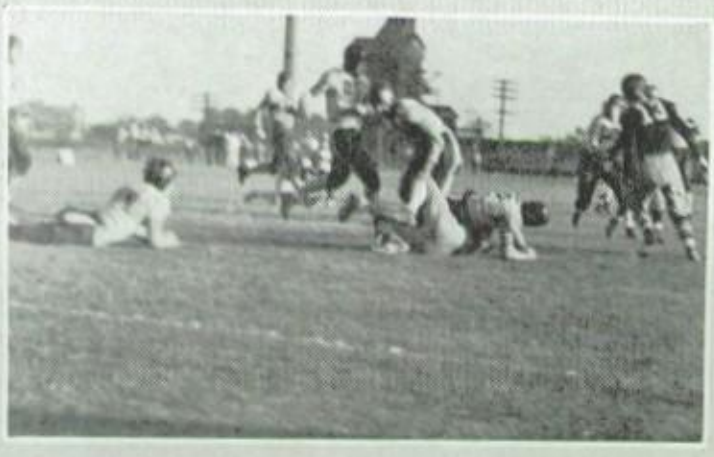
Sid Alberts—"Sid" began his career in Junior High School and will undoubtedly be invaluable to the team next year, as he is a Junior.

Fred Dunbar—"Freddie" began his work by specializing in track management but soon entered the fields of basketball and football. Fred is a Junior.

FOOTBALL







FOOTBALL SUMMARY

In the past, football, as a sport, has played second fiddle to basketball in Anderson. Although not quite on even terms yet, football is coming into its own. This year's squad has undoubtedly done quite a bit toward this end.

The old custom of going into training at Camp Crosley on Little Tippecanoe was dropped this year and the squad journeyed to Camp Pet-o-sego on the shores of Pickeral Lake near Petosky, Michigan. Here the players were conditioned and much valuable new material was developed.

The team, this year, enjoyed one of the most successful seasons of recent years. An all-round coach and well liked gentleman, Mr. Shinn, saw his first season with the Red and Green and his influence has undoubtedly been felt.

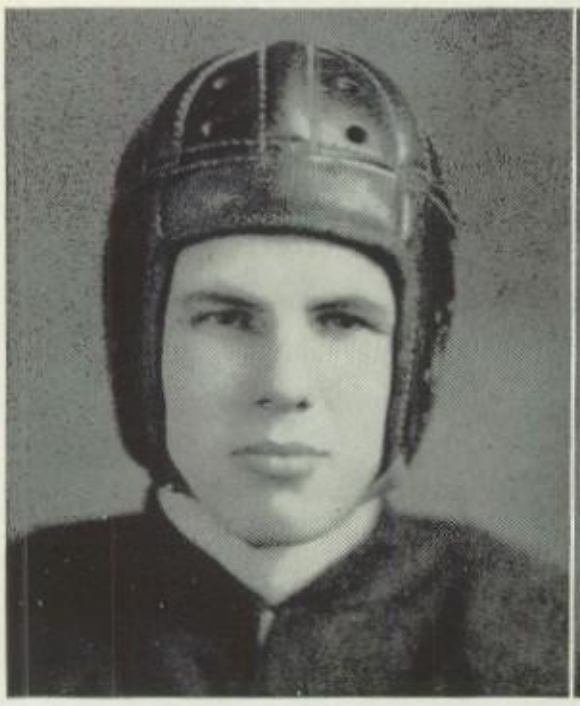
Although the Indians lost their initial game to New Castle by a score of 25 to 0, they went ahead to beat Elwood 6 to 0. The next opponent of the Braves was the powerful Bearcat squad of Muncie, who was victorious by a score of 15 to 0.

The Indians then went on to win all their remaining games. They won from Noblesville by a score of 45 to 0, from Richmond 32 to 0, from Frankfort 19 to 13, from Central of Ft. Wayne 6 to 0, from Technical of Indianapolis 7 to 6, and from Richmond, in a return game, 19 to 0.

It is evidenced by these scores that, once the Indians got under way, they played heads up football. This years squad was, on the average, a light team. They made up for this disadvantage with their determination, speed, ability, and individual brilliance.

BOB HAMM—"Bob" shared honors in being one of our co-captains. This honor was richly deserved because of his dependable offensive and defensive work at his center position. His three years of varsity football made him a veteran to be reckoned with.

AL LOIDL—"Al" was our right guard and a co-captain. He earned a reputation here and over the state, being selected on the All Conference squad. Al has been a varsity man for three years and was one of our most dependable players.



EUGENE DILTS—"Gene" has been out for football for four seasons and has earned three varsity letters. His position was that of end and was well filled.

C. W. BENBOW—"Benny" has been one of the most dependable and consistent backs we have had. His earnestness and ability to play several positions have made him an outstanding player.

VICTOR HUTTON—"Vic" was noted for his drive and ability to hit hard. He used these characteristics to good advantage in playing his end position. His defense was also very consistent.

HENRY PATE—"Hank" was another veteran and an outstanding backfield man. His consistent triple threat tactics were always one of the opposing teams major difficulties. Hank graduates this year and he will be hard to replace.

AIBERT MYERS—"Al" returned this year, after dropping out last season due to injuries, to his guard position which he held down with an outstanding defense and a driving offense.

DICK BROWN—Dick has justly earned the title of being one of A. H. S.'s immortal greats. Beside losing a great tackle, the Indian's have lost the greatest moral leader any team could have.

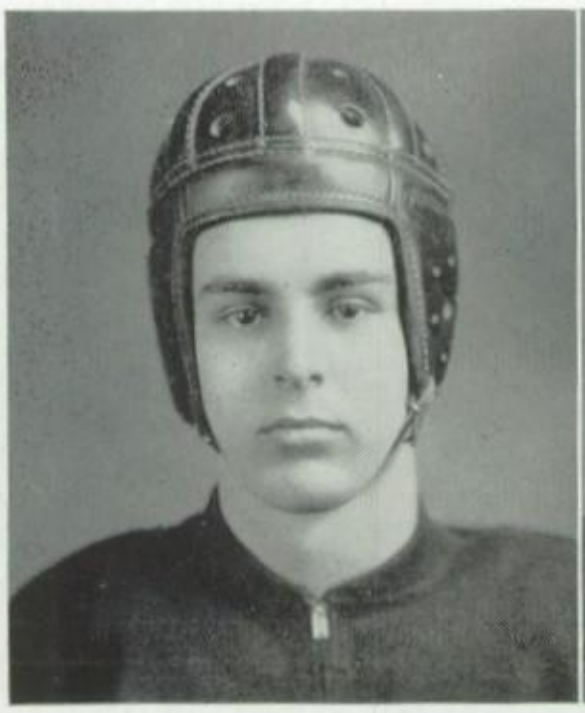
CARL HOVERMALE--"Dee" played his first football this season and immediately won a varsity guard position. His coolness and quick thinking classified him as A-1 material from the start of the season.

BOB HOLLENBERGER—"Holly's" outstanding asset was his ability to drive and to smash the line from his position as fullback. Also he was a dependable man to have in the secondary defense.

EARL GIBBONS — "Gibby's" height and ability to receive passes placed him in an end position. Defensively, he was constantly on his toes and able to take care of his side of the line.

ROY WITRY—In one short year, "Wit" accomplished that which many cannot do in four years. "Wit" has a bright future in football as he is only a freshman.

EUGENE YATES—"Jeep's" speed and shiftiness has won him a varsity berth for three years. His triple threat tactics and defensive ability have marked him as outstanding. He will again don a uniform next season.



JIM LAMONT—"Jim's" size and potential ability will make him a valuable man next year. He is only a Junior and we all know that we can depend on him to carry on.

DON SHEETS—Don's weight was a decided advantage to the Indians. "Sheetsie" plays end, tackle, and fullback equally well. He has another year with the Red and Green.

TOM ECOFF....Although this was Tom's first year with the squad, he managed to create plenty of trouble for the opposing teams. Tom is a sophomore end.

WAYNE THORNBURG— "Thorny" played guard and provided the opposition with a great display of "submarining" and defensive ability as well as offensive brilliance. We will see him back in the harness again next year.

DEAN HOPPES—Dean was one of Coach Chadd's little boys; nevertheless, he saw much action last season. "Hoppie" is a Junior and is a serious threat for the position of blocking-back next year.

BILL DAVIS—Bill was one Indian block of granite during the past season. Much is expected of Bill next year at the tackle position as he has the ability and a Herculean build.

LEE CLEMONS—"Clemy" provided many thrills throughout the last season with his spectacular running. He has two more seasons with the Indians and should make his stay a memorable one.

WARREN STULTZ—Due to his determiation, "Stogie" has paved the way for a brilliant season next year. As Warren is only a Junior, A. H. S. expects much from him during the coming season.

JACK BROWN—This was the first year for "Brownie" with the team. Determination and the ability to run well account for his rapid advancement at the fullback position. Jack is only a sophomore.

PAUL MEAGER—"Meag" was a constant threat to the opposition. His power and drive at the fullback position earned the Indians several firsts and tens. Paul is a Sophomore.

JOE EHRHART—When strength and experience were needed, Joe was rushed into the ball game. Joe is a Junior center and much is expected of him next year.

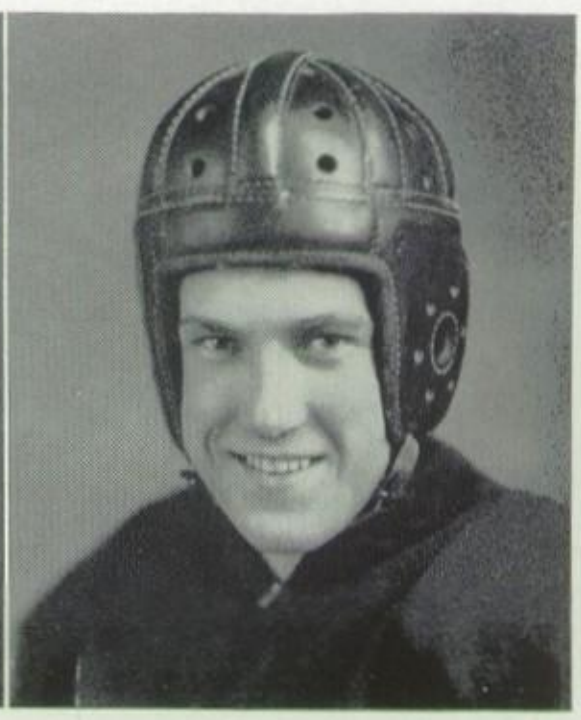
JACK CADE—Jack saw action in several games during the '38 season. His success at the position of right half may be accredited to his speed and endurance. Jack is a Junior.

MATHIAS SCHOAGRE—"Schoag" was one of the boys who didn't think he could play football; however, he blossomed into a full-fledged guard before the season ended. "Schoag" is a Sophomore.

EUGENE HARDWICK—"Gene" is a half back from whom we are expecting quite a lot next year. He has proved his worth the last two years and we know that we can depend on him.

CHARLES HAUFF—"Charlie," although he was hampered by his diminutive build, helped materially in making the '38 team a success. "Charlie" has two more years at the guard position.

WAYNE CHANDLER—"Dink" was another of Coach Chadd's little boys. With his ability and desire to play, he is certain to be in the battles fighting for A. H. S. next year.



JOHN CHANEY—Chaney played at either the position of tackle or center. He showed great defensive ability throughout the season. He should go far in A. H. S. football as he is only a Sophomore.

BASKETBALL

1938-1939 BASKETBALL SCHEDULE

November 19	Anderson 26, Mishawaka 15
November 23	Anderson 21, Marion 14
November 25	Anderson 21, Logansport 14

February 10	Anderson 30, New Castle 36
February 17	Anderson 29, Technical 34
February 24	Anderson 24, Shortridge 28

BASKETBALL SUMMARY

The '38-'39 Indian basketball squad was, in all probability, the best ten men dear old A. H. S. has had in many a moon. They were on the warpath practically all season and lost only seven games to such worthy opponents as Greencastle, Crawfordsville, Jeffersonville, Frankfort, Kokomo, New Castle, and Tech of Indianapolis. Our outstanding triumphs of the year were over Richmond, Central of Muncie, and Jeff of Lafayette; also we won the "Big Four" tourney.

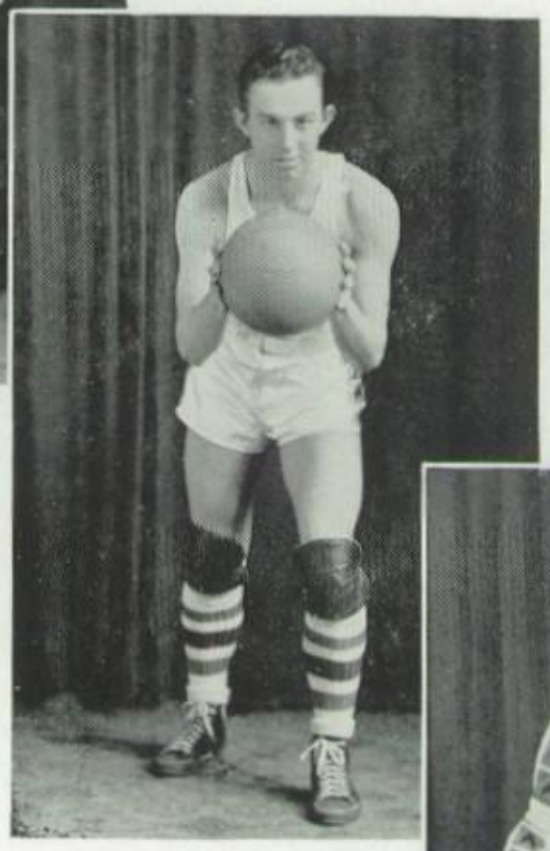
A few weeks before tourney time the Braves seemed to falter. But when the sectional started, there was no doubt in our minds as to their ability or conditioning. Although Elwood gave us a scare, the Braves pulled through and went on to beat Greenfield and New Winchester to also take the regional title.

The teams who, with Anderson, went to the Indianapolis semi-finals, were Greencastle, Aurora, and Franklin--three outstanding teams. In the afternoon game the Indians met and defeated Greencastle by the decisive score of 42 to 21. In the evening, they then played Franklin who had won from Aurora in an overtime in the afternoon. This game displayed fine basketball but Anderson was unable to connect and came out on the short end of a 16 to 13 score.

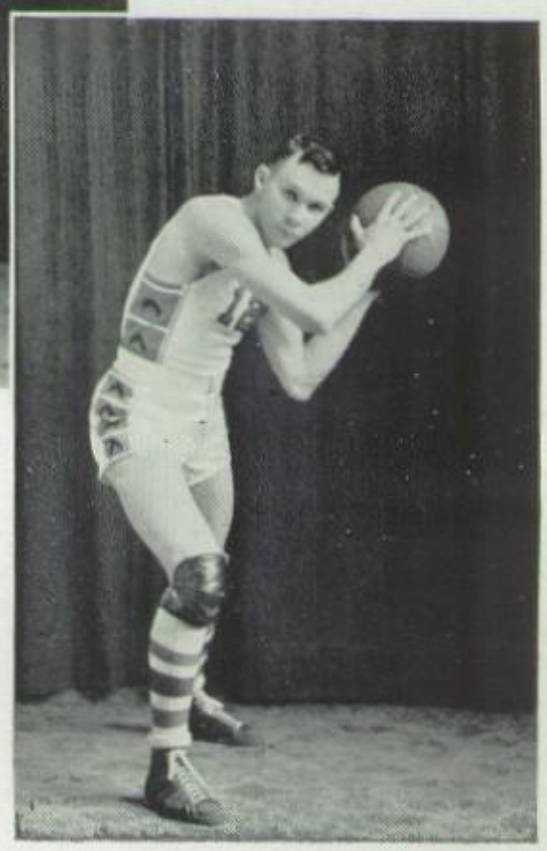
We can't be winners all the time and we shouldn't expect it. We are proud of our basketball squad, not only because of their excellence in their sport, but because of their individual fineness, sportsmanship, and attitude.

ORA DAVIS (Captain)—"Fuzzy," a veteran center of three seasons and a mainstay of the team, will leave an indelible mark, not only as an athlete, but as a deserving and well liked young man. He was captain this year which is his last.

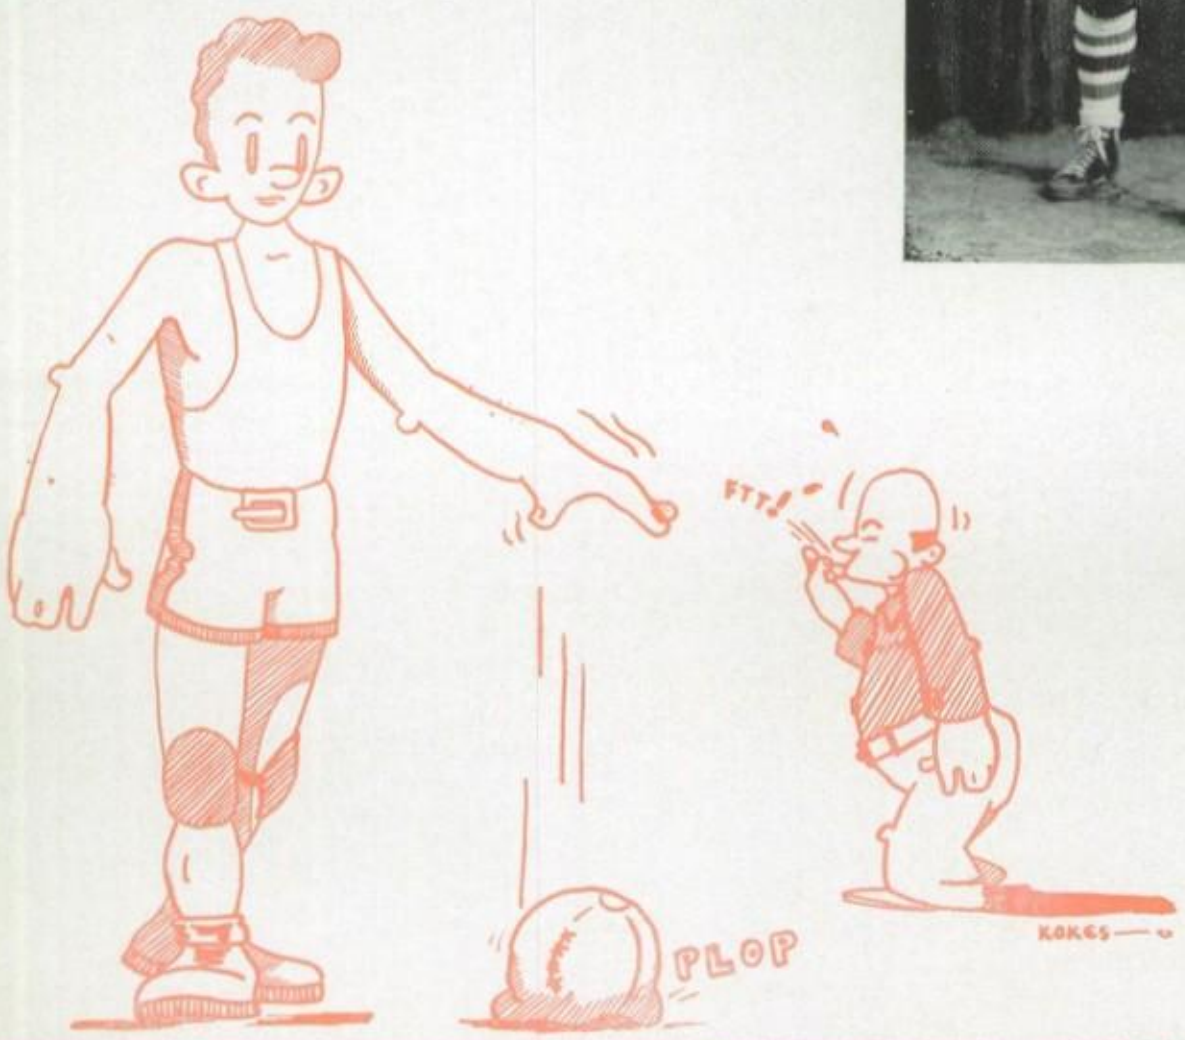
JOHN NEVIN—"Johnny," during his two years with the varsity, has distinguished himself by his defensive ability and other able handling of the guard position. Graduation will claim him this year.

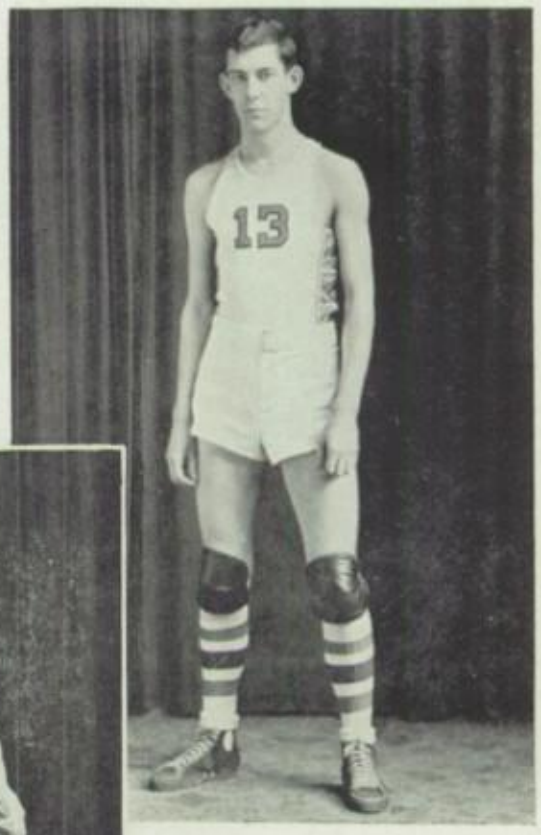


HENRY PATE—"Hank," also was an outstanding guard and a dependable scorer. His long range scoring ability and his speed and drive under the basket have earned him a well deserved reputation.

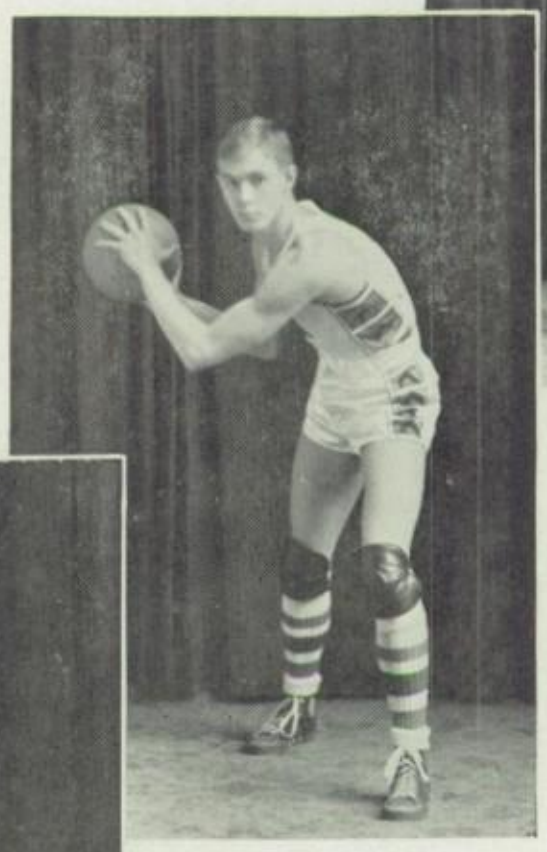


EUGENE YATES—"Jeep" displayed great defensive ability througout the season; his work at recovering rebounds was especially good. "Jeep" will undoubtedly be on the State Championship Team of 1940, as he is a Junior.

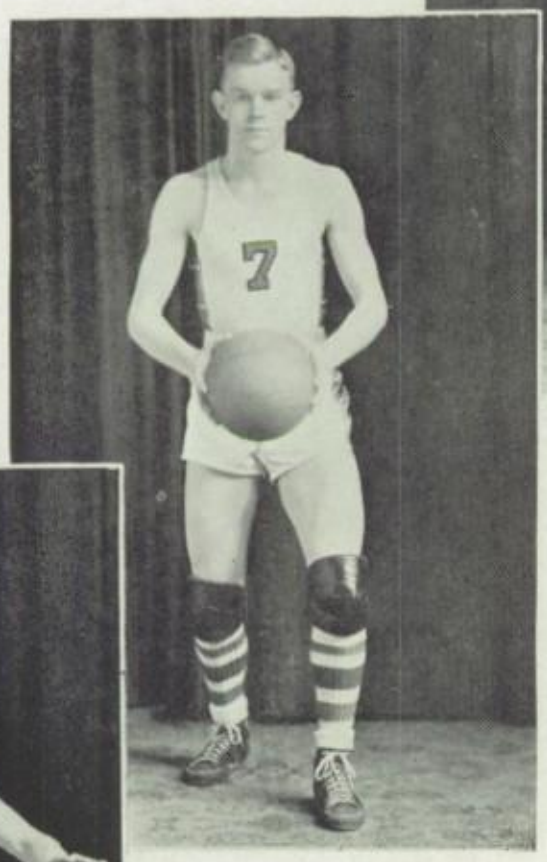




JOHN HEIDEN—John has earned his varsity letter the last two years as a center. His height was used to good advantage and he was always ready when called upon to do his part.

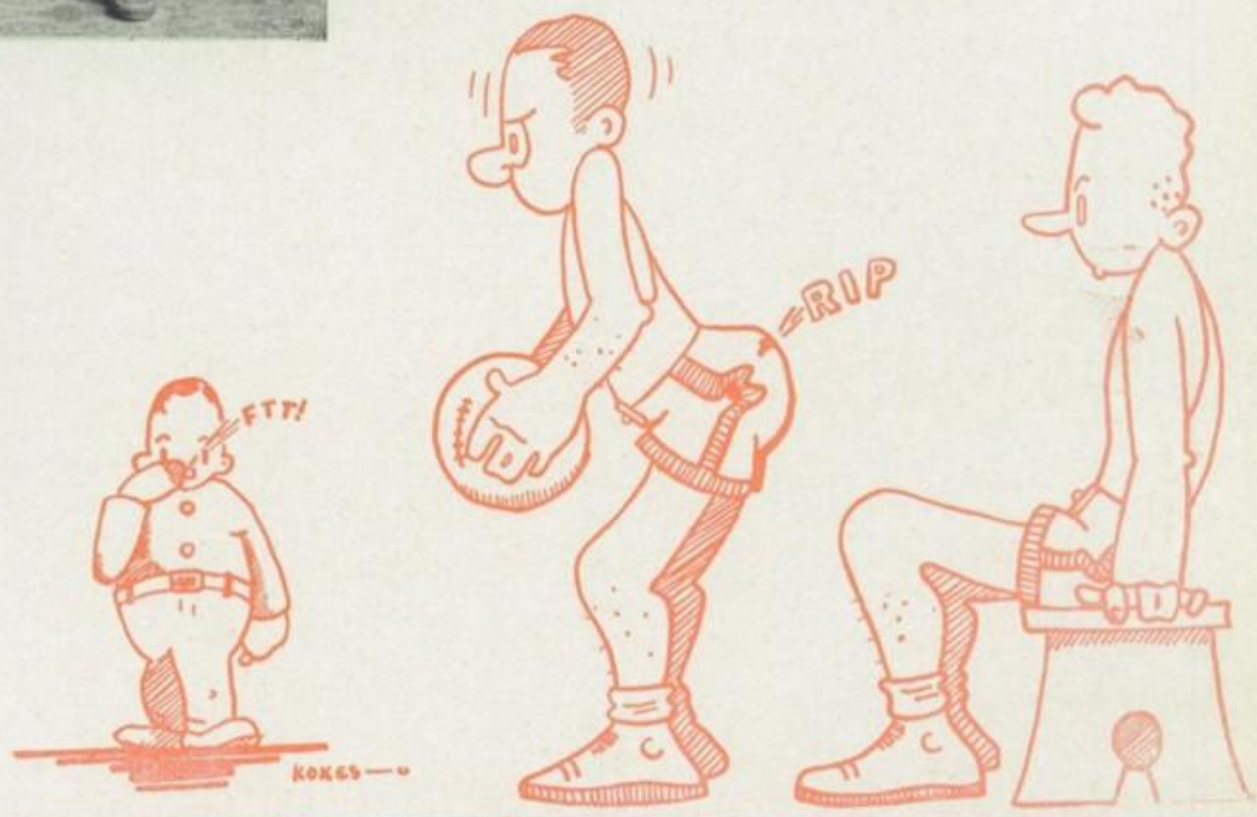


EARL GIBBENS—"Gibby" was the towhead wonder boy of last season. His specialty was a left-handed hook shot, which proved to be very effective against all opponents. "Gib" is only a Junior.

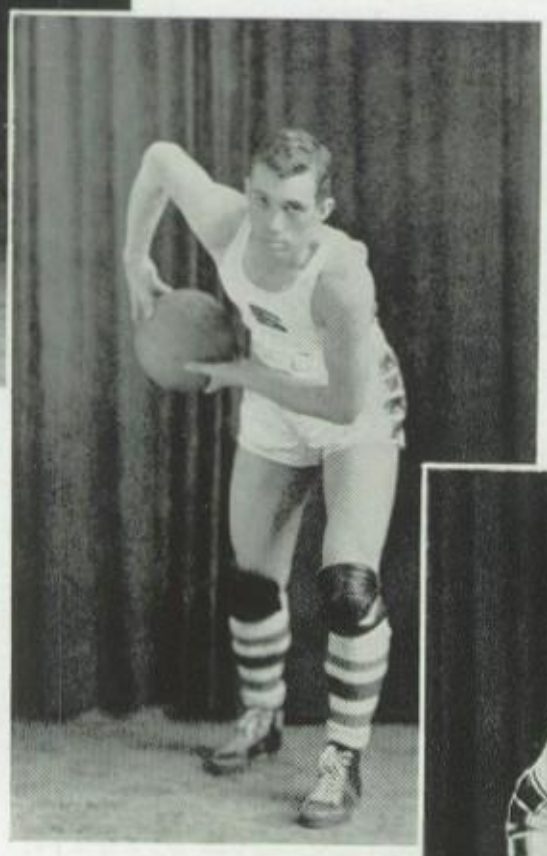


CARL HOVERMALE—"Dee," is a three sports man but his favorite is basketball. His position as forward has been well filled. His play was outstanding both defensively and offensively.

FRANK KLEE—"Franky," earned his position as a regular forward in his Junior year and has been playing a fine brand of ball ever since. His fight and his attitude will carry him a long way.

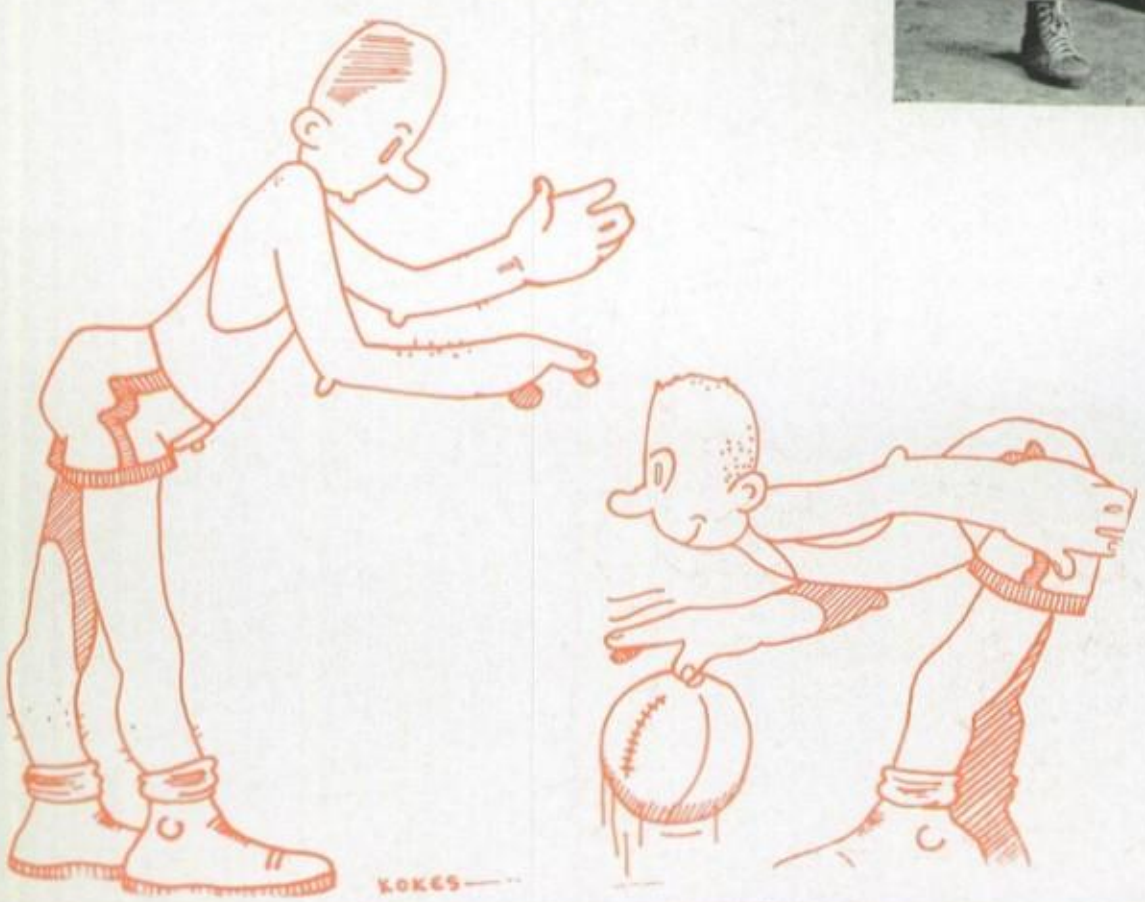


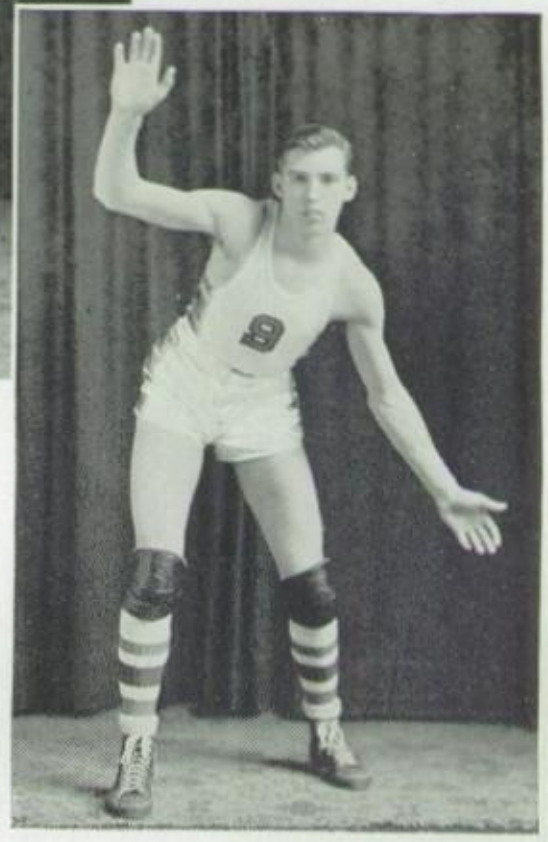
BOB WALKER—Bob was hampered by his diminative build. However, he furnished the spark and oftentimes the points which won the games. Bob has played his last game for the Indians, as he is a Senior.



GEORGE TURNER—This was Turner's first year with the team. He displayed the ability to hit throughout the season. This characteristic was a primary cause for his rapid advancement. George is only a Sophomore.

LEE CLEMONS—Lee is accomplishing that which most of us thought impossible--he is emerging from the shadow of his famous brother, and is finding a spotlight of his own. "Clemy" is only a Sophomore.





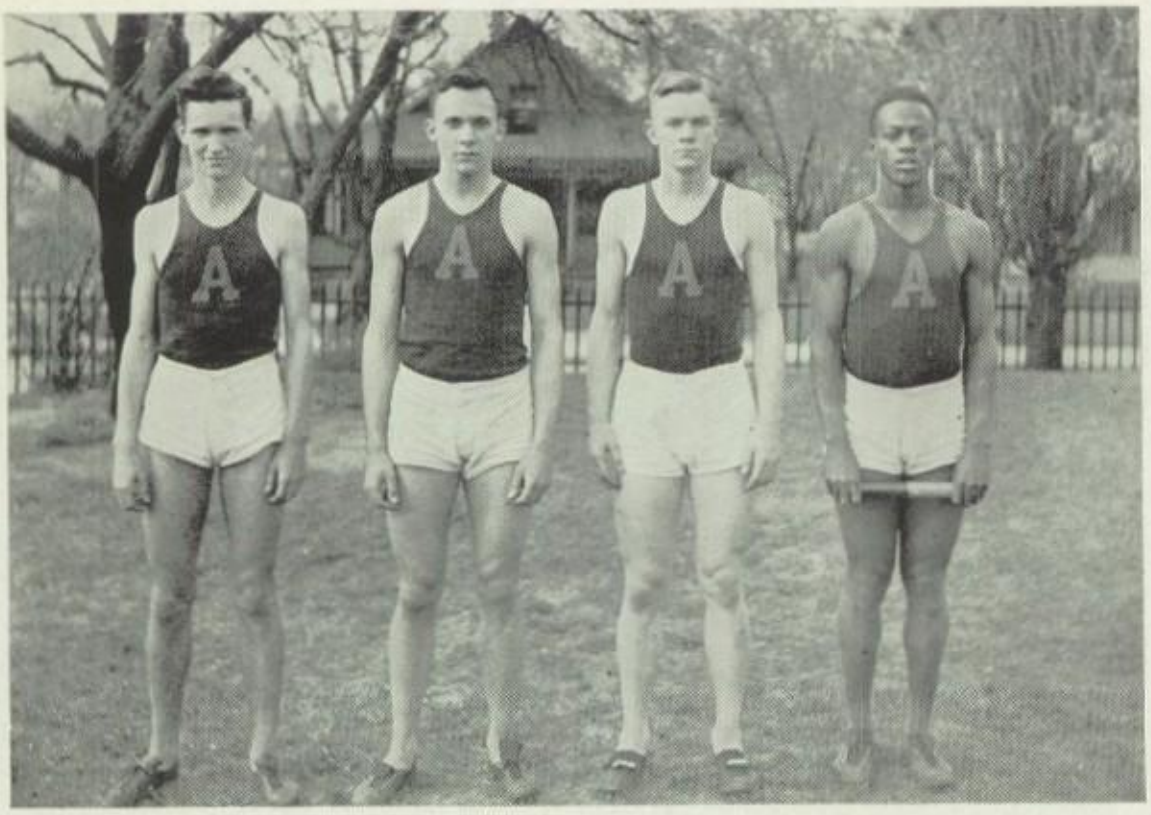
TOM ECOFF—Tom's towering height was a decided advantage to the Indians. He received valuable experience last season, so his figure will be familiar to the fans, as he has two more seasons with the Indians.

TRACK

TRACK SUMMARY

The 1939 track squad has been Anderson High School's most outstanding representative in that type of athletics for a great number of years. Track has not been on an equal footing with the other major sports in our high school such as football and basketball. In the last three or four years since Mr. Bonge has been in charge of the squad, it has gradually grown and continued to receive recognition. Now we are considered a strong threat for state final honors this year. So for this reason, Anderson has been very successful--winning over Muncie and New Castle twice in triangular meets and Richmond in a dual meet. Also they finished third in the conference and walked off with the sectional which was held in Kokomo and thus ended Kokomo's long supremacy in this meet. During the meet Anderson broke two sectional records and won seven first places, piling up a total of fifty-seven and one half points. The entire squad is made up of boys who are sincere in their efforts and who have a deep regard for their coaches. Their attitude toward training and toward each other has been very good. These mental characteristics have undoubtedly been outstanding factors in carrying them through to the success which they have enjoyed.

The squad will not suffer too much by graduation. Only five men will leave us. This makes our track prospects very bright for next season.

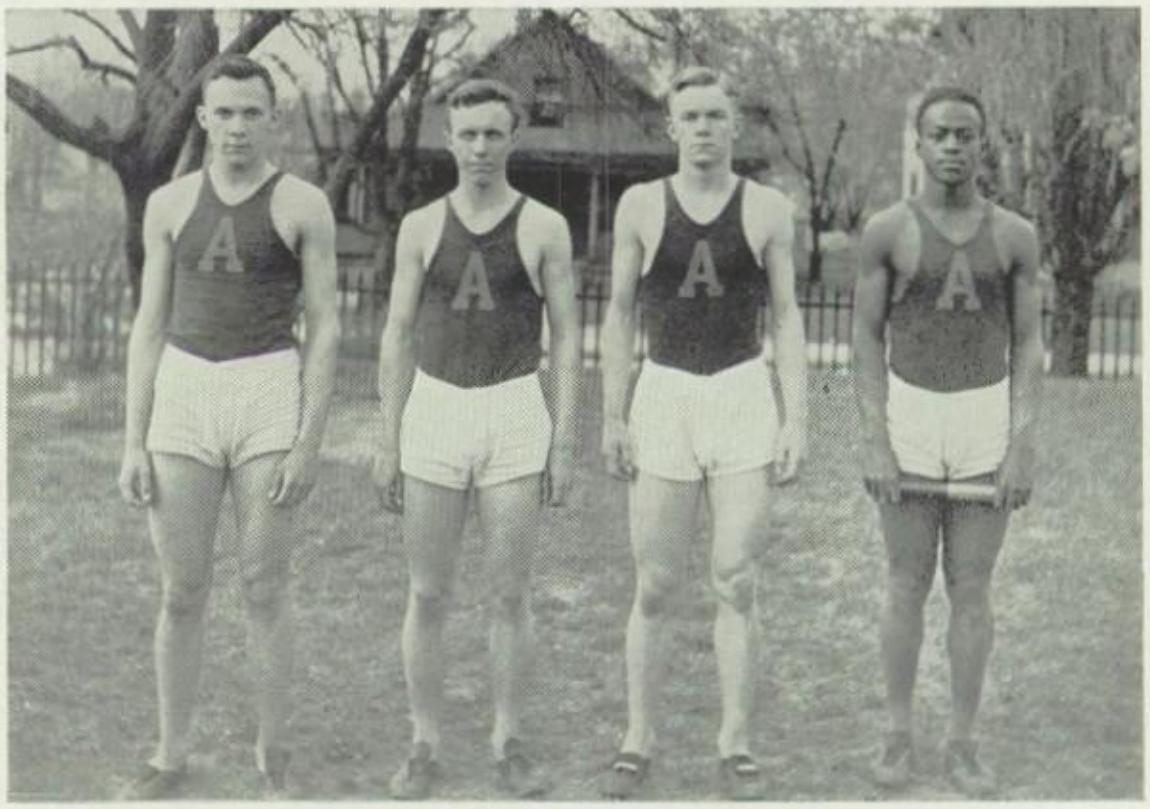


MEDLEY RELAY TEAM

The Medley Relay Team is made up of Richardson, Hovermale, Yates, and Mitchell. Each man runs his specialty. Richardson leads off, running the two-twenty; Hovermale continues with the four-forty or the quarter mile; Yates runs the eight-eighty or half mile; and the anchor man, Mitchell, finishes up with the mile. This team has not been defeated this season and in the Muncie Relays, they set a relay record with a time of 8:02.

MILE RELAY TEAM

Richardson, Scharnowski, Hovermale, and Yates comprise the Mile Relay Team. Each man runs a four-forty or a quarter. This team shares honors with the Medley Relay Team in enjoying an undefeated season. While participating in the sectional held at Kokomo, the mile relay team won their event and also set a new track record with a time of 3:32.4. Other victories include the Southport Relays, the Muncie Relays, and they also won the conference.



EARL MITCHELL—State mile champion, Mitchell brought fame to A. H. S. The school has a pair of shoes which can't be filled as Earl is a Senior.

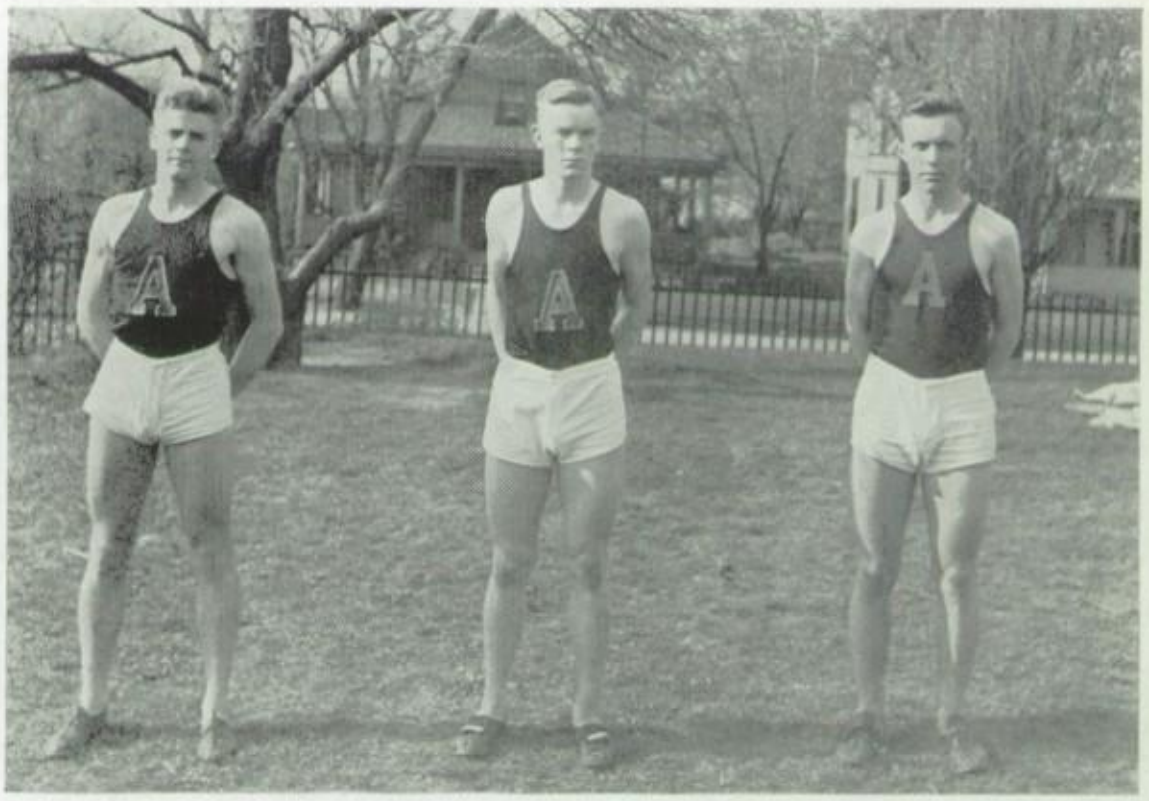
EUGENE YATES—"Jeep", the state half-mile champion, again proved his merit this year. Whenever "Jeep" runs, a new record is set. Yates will be back next year.

LAWRENCE REYNOLDS—Although he is not a State Champion, Lawrence rates "tops" with us. A. H. S. loses a hard worker this spring as Reynolds is lost by graduation.

DON COLLINS—"Don" proved to be a very dependable man to the squad. He was valuable as a dash man in the 220 and 100 yd. dash. He also ran in the 1-2 mile relay. A. H. S. will lose a good man this year as Don is a senior.

CARL HOVERMALE —"Deacon" has concluded a brilliant career for A. H. S. However, his fine running form will remain to be copied, we hope.

JOHN SCHARNOWSKI--Speed and endurance account for John's success. A. H. S. has lost an all around athlete as he is a Senior.



DON MUNSON—Don is a high-hurdle man. His super stride and finishing "kick" will be an asset next year as he is a Junior.

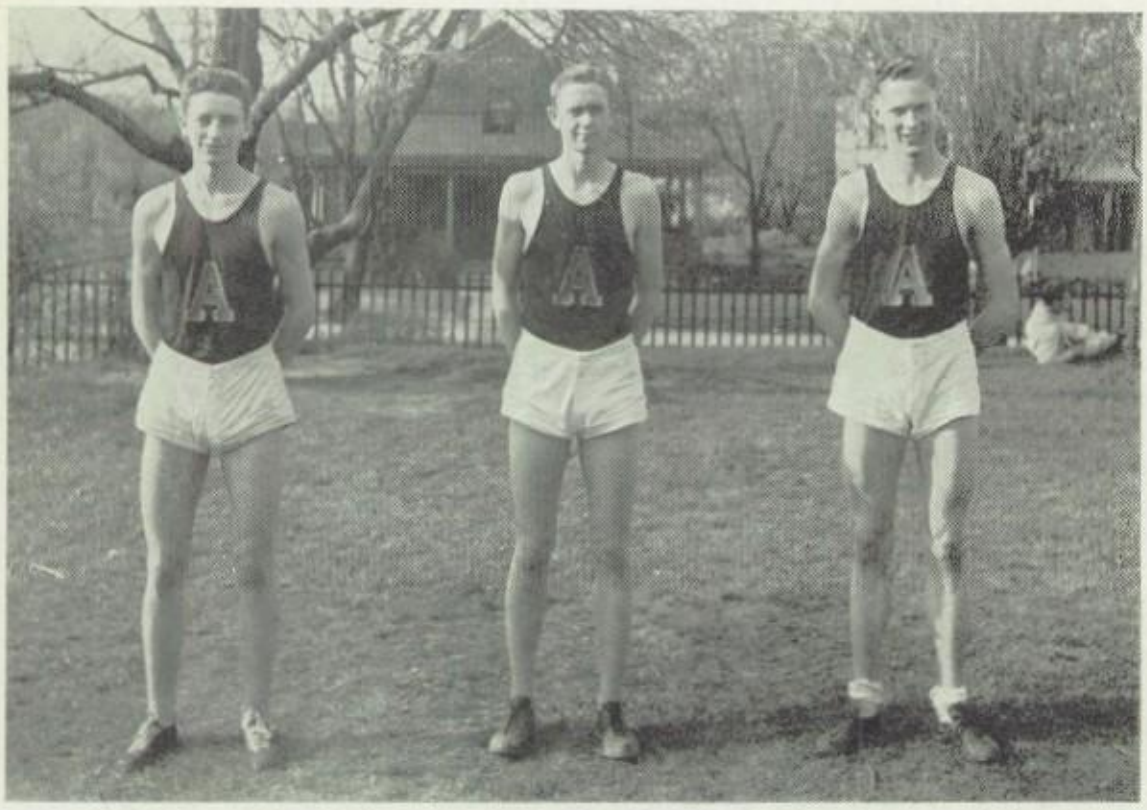
EARL GIBBONS—"Gibby" is a high and low hurdle man. His ability to run well is derived from his participation in other sports. "Gib" is a Junior.

ROY EGGMAN—Roy is one of the returning letter-men. He again proved capable of leading the field. Roy is lost by graduation.

DON HOOPER—Don can be depended upon to "show" when he is in the race. He has another year with the Indians.

DON SHEETS—"Sheetsie" was the weight man of last season. Don puts the shot; he will be back next year.

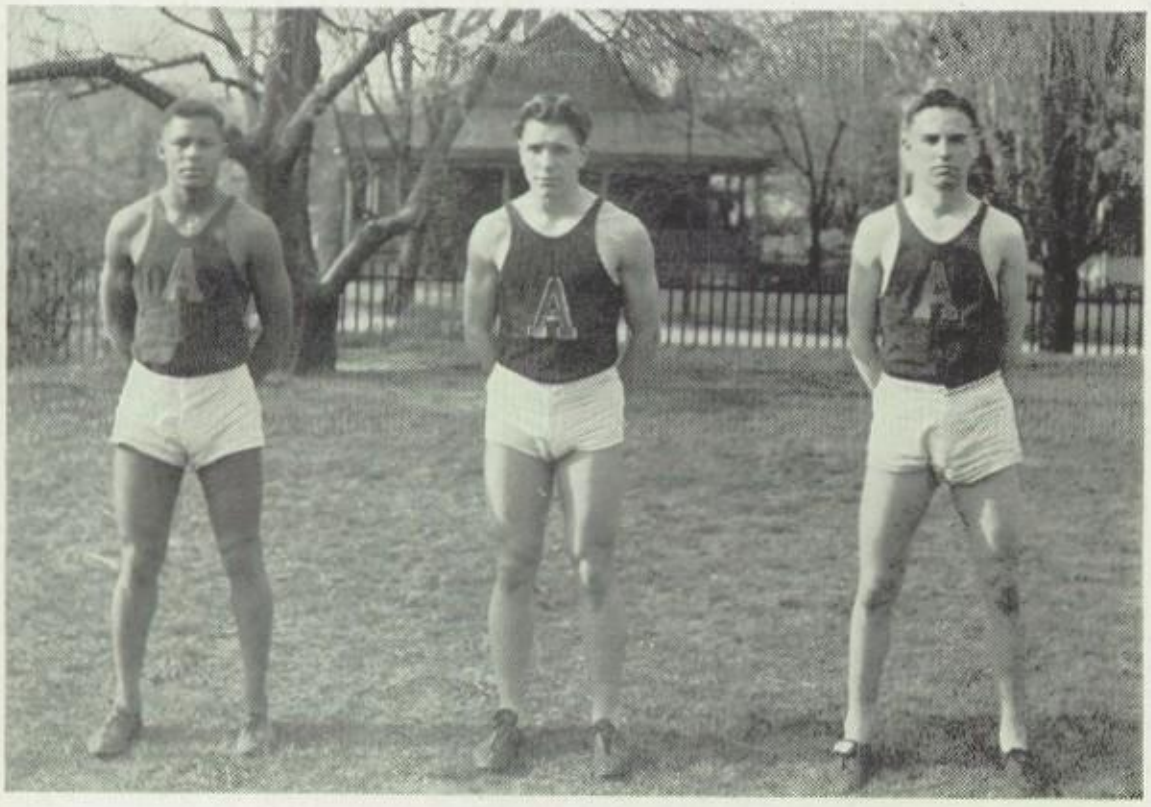
HARVEY FOX—Harvey has the advantage of having long legs; he uses his "pins" in the high hurdles. Fox is a Junior.



SAM NORRIS—Sam has gained his position on the team by untiring effort. However, his reward will come as he is a Sophomore.

EUGENE MORGAN—"Baby face" has high jumped his last time for A. H. S. as he is a Senior. Our loss will undoubtedly be a college's gain. His record is 5' 10".

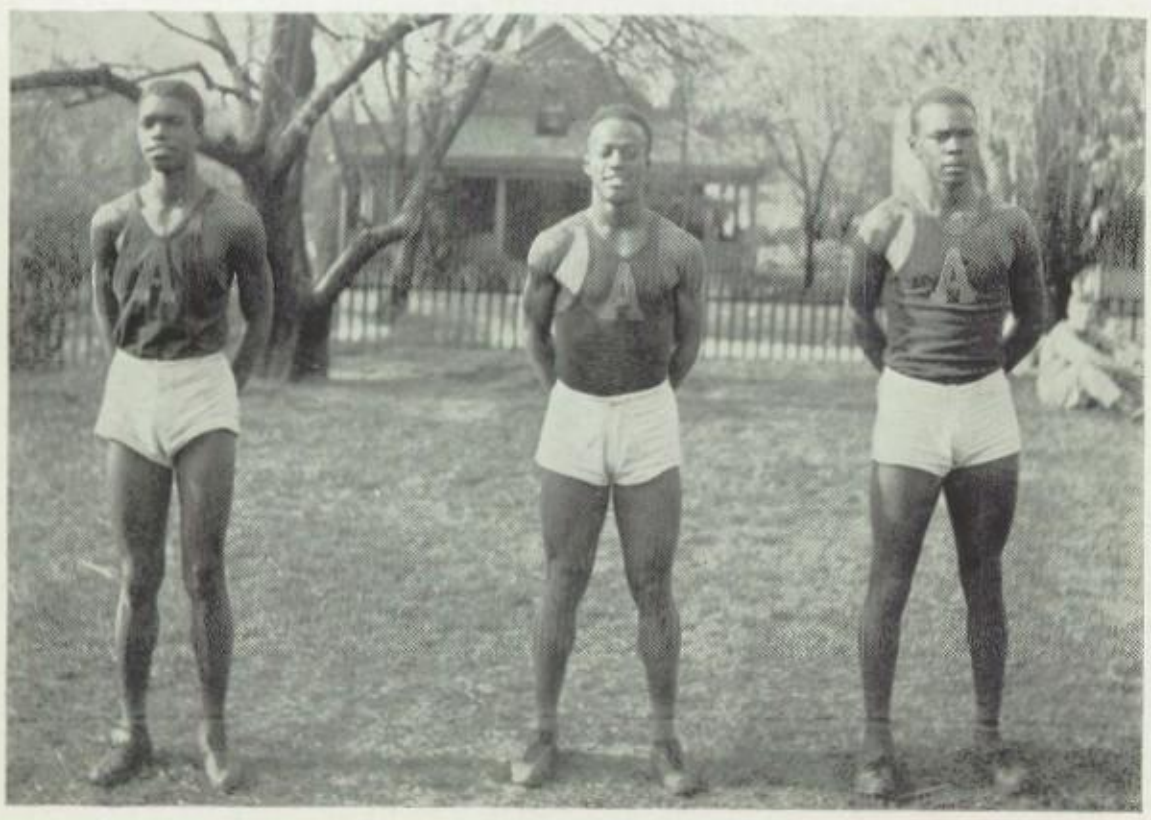
EVERETT OREBAUGH—Everett was another of the Indian pole-vaulters. He brought fame to himself and to his school. Everett is a Senior.



LEE CLEMONS—Clemy displayed a world of speed this season. He should develop into another State Champion as is he a Sophomore.

PAUL MEAGER—This was Meags first year with the squad, but we shall hear more of him as he is only a Sophomore.

WARREN STULTZ—Stultz, the rabbit chaser, ran the dashes. Warren will be a valuable man next year as he is a Junior.



CHARLES EDWARDS—Edwards was one of Coach Bonge's mainstays this year. His speed and jumping ability will be valuable next year.

ARTHUR RICHARDSON—Dashes and broad jumps were Art's speciality. His record for the 440 is 51.7 seconds.

MELVIN BOYD—Boyd proved to be fast and to have amazing powers of endurance. He will be back next year.

Tennis

TENNIS TEAM

The tennis team is being coached by Dave Barrow this season. Tennis, as is golf, is trying desperately to gain an equal footing with football, basketball, and track. The "tennis bug" has bitten several new members during the past season, and we predict that many more will be bitten in the near future. When this epidemic occurs, A. H. S. will have one of the foremost teams in the state, as a wealth of material is lying dormant in our fair school.

The team, at the time this material is being written, has not as yet entered into the field of competition. However, daily practice at the Riley courts has proved that the ability of these boys is far above average.

The Racquet-Wielders are: Joe Trent, Bob Trent, Ben Howe, Roy Morris, Frank Herron, Ralph Humerickhouse, and Dick Brown. Of these members Joe Trent, Dick Brown, and Frank Herron are lost by graduation, therefore the prospects of a successful team next season are very bright.

Golf

GOLF TEAM

Again, as in seasons past, Mr. Dischinger is working diligently to make Anderson High School's golf team a success. Since Coach Dischinger has taken the reins, the road of advancement into golfing stardom has been smoother than ever before. The movement toward making golf a major sport will have many more adherents and its popularity will grow until, by popular demands, golf will be placed on an equal basis with basketball, football and track. At the time this material is being written, the organization of the team is getting underway. Therefore we shall not make any rash promises as to the success of our "bird-shooting" proteges. However we do make the statement that Mr. Dischinger has the most promising material that has ever been assembled in A. H. S. The team is composed of five of Anderson's best. They are: Manley Illyes, Howard Widener, Walter Jones, Jack Staley, and Bud Anderson.

HUMPTY DUMPTY SAT ON A WALL,

HERE ARE ADDS AND JOKES AND THAT IS ALL.

Commencement

MEANS A BEGINNING!

When first you consider it, "commencement" seems an unusual word to apply to the *completion* of a school course. Yet the word is most appropriate. Graduation marks the *beginning* of a new phase of your life in the world of affairs—a world for which you have been preparing. The ideals, training and initiative which you bring with you from school years will shape the World of Tomorrow.

To each and every member of the Class of 1939, Delco-Remy wishes the best of success in every undertaking. There is a great need for citizens who can finish what they begin—and you have proved that you have this ability!
